(a) The Holders of a Majority in liquidation amount of Preferred Securities may, by vote, on behalf of the Holders of all of the Preferred Securities, waive any past Event of Default in respect of the Preferred Securities and its consequences, PROVIDED that, if the Event of Default:

(i) is caused by a Debenture Event of Default that is not waivable under the Indenture, the Event of Default under the Declaration shall also not be waivable;

(ii) is caused by a Debenture Event of Default that requires the consent or vote of greater than a majority in principal amount of the holders of the Debentures (a "Super Majority") to be waived under the Indenture, the Event of Default under the Declaration may only be waived by the vote of the Holders of at least the proportion in liquidation amount of the Preferred Securities that the relevant Super Majority represents of the aggregate principal amount of the Debentures outstanding;

(iii) is the result of a default by the Trust in the payment of any Distribution when it becomes due and payable, which default has continued for 30 days (subject to the deferral of any due date in the case of a Default Period), the Event of Default shall not be waivable; or

Upon such waiver, any such default shall cease to exist, and any Event of Default with respect to the Preferred Securities arising therefrom shall be deemed to have been cured for every purpose of this Declaration, but no such waiver shall extend to any subsequent or other default or an Event of Default with respect to the Preferred Securities or impair any right consequent thereon. Any waiver by the Holders of the Preferred Securities of an Event of Default with respect to the Preferred Securities shall also be deemed to constitute a waiver by the Holders of the Common Securities of any such Event of Default with respect to the Common Securities for all purposes of this Declaration without any further act, vote, or consent of the Holders of the Common Securities.

(b) The Holders of a Majority in liquidation amount of the Common Securities may, by vote, on behalf of the Holders of all of the Common Securities, waive any past Event of Default with respect to the Common Securities and its consequences, PROVIDED that, if the Event of Default is caused by a Debenture Event of Default that:

(i) is not waivable under the Indenture, except where the Holders of the Common Securities are deemed to have waived such Event of Default under the Declaration as provided below in this Section 2.06(b), the Event of Default under the Declaration shall also not be waivable; or

(ii) requires the consent or vote of a Super Majority to be waived, except where the Holders of the Common Securities are deemed to have waived such Event of Default under the Declaration as provided below in this Section 2.06(b), the Event of Default under the Declaration may only be waived by the vote of the Holders of at least the proportion in liquidation amount of the Preferred Securities that the relevant Super Majority represents of the aggregate principal amount of the Debentures outstanding;

PROVIDED FURTHER, each Holder of Common Securities will be deemed to have waived any such Event of Default and all Events of Default with respect to the Common Securities and its consequences until the effects of all Events of Default with respect to the Preferred Securities have been cured, waived or otherwise eliminated, and until such Events of Default have been so cured, waived or otherwise eliminated, the Property Trustee will be deemed to be acting solely on behalf of the Holders of the Preferred Securities and only the Holders of the Preferred Securities will have the right to direct the Property Trustee in accordance with the terms

of the Securities. The foregoing provisions of this Section 2.06(b) shall be in lieu of Sections 316(a)(1)(A) and 316(a)(1)(B) of the Trust Indenture Act and such Section 316(a)(1)(A) and 316(a)(1)(B) of the Trust Indenture Act are hereby expressly excluded from this Declaration and the Securities, as permitted by the Trust Indenture Act. Subject to the foregoing provisions of this Section 2.06(b), upon such waiver, any such default shall cease to exist and any Event of Default with respect to the Common Securities arising therefrom shall be deemed to have been cured for every purpose of this Declaration, but no such waiver shall extend to any subsequent or other default or Event of Default with respect to the Common Securities or impair any right consequent thereon.

(c) A waiver of an Event of Default under the Indenture by the Property Trustee at the direction of the Holders of the Preferred Securities, constitutes a waiver of the corresponding Event of Default under this Declaration. The foregoing provisions of this Section 2.06(c) shall be in lieu of Section 316(a)(1)(B) of the Trust Indenture Act and such Section 316(a)(1)(B) of the Trust Indenture Act is hereby expressly excluded from this Declaration and the Securities, as permitted by the Trust Indenture Act.

(b) The Property Trustee shall not be deemed to have knowledge of any default except:

(i) a default under Sections 5.01(1) and 5.01(2) of the Indenture; or

(ii) any default as to which the Property Trustee shall have received written notice.

(d) to give the Sponsor and the Property Trustee prompt written notice of the occurrence of a Tax Event; PROVIDED that the Administrative Trustees (and Special Trustee, if any) shall consult with the Sponsor and the Property Trustee before taking or refraining from taking any Ministerial Action in relation to a Tax Event;

(e) to establish a record date with respect to all actions to be taken hereunder that require a record date be established, including and with respect to, for the purposes of ss.316(c) of the Trust Indenture Act, Distributions, voting rights, redemptions and exchanges, and to issue relevant notices to the Holders of Preferred Securities and Holders of

(n) to execute all documents or instruments, perform all duties and powers, and do all things for and on behalf of the Trust in all matters necessary or incidental to the foregoing;

(o) to take all action that may be necessary or appropriate for the preservation and the continuation of the Trust's valid existence, rights, franchises and privileges as a statutory business trust under the laws of the State of Delaware and of each other jurisdiction in which such existence is necessary to protect the limited liability of the Holders of the Preferred Securities or to enable the Trust to effect the purposes for which the Trust was created;

(p) to take any action, not inconsistent with this Declaration or with applicable law, that the Administrative Trustees determine in their discretion to be necessary or desirable in carrying out the activities of the Trust as set out in this Section 3.06, including, but not limited to:

(iii) possess Trust property for other than a Trust purpose;

(iv) make any loans or incur any indebtedness other than loans represented by the Debentures;

SECTION 3.08. POWERS AND DUTIES OF THE PROPERTY TRUSTEE. (a) The legal title to the Debentures shall be owned by and held of record in the name of the Property Trustee in trust for the benefit of the Holders of the Securities. The right, title and interest of the Property Trustee to the Debentures shall vest automatically in each Person who may hereafter be appointed as Property Trustee in accordance with Section 5.06. Such vesting and cessation of title shall be effective whether or not conveyancing documents with regard to the Debentures have been executed and delivered.

(b) The Property Trustee shall not transfer its right, title and interest in the Debentures to the Administrative Trustees or to the Delaware Trustee (if the Property Trustee does not also act as Delaware Trustee).

(c) The Property Trustee shall:

(i) establish and maintain a segregated non-interest bearing trust account (the "Property Trustee Account") in the name of and under the exclusive control of the Property Trustee on behalf of the Holders of the Securities and, upon the receipt of payments of funds made in respect of the Debentures held by the Property Trustee, deposit such funds into the Property Trustee Account and make payments to the Holders of the Preferred Securities and Holders of the Common Securities from the Property Trustee Account in accordance with Section 6.01. Funds in the Property Trustee Account shall be held uninvested until disbursed in accordance with this Declaration.

(ii) engage in such ministerial activities as so directed and as shall be necessary or appropriate to effect the redemption of the Preferred Securities and the Common Securities to the extent the Debentures are redeemed or mature; and

(iii) upon written notice of distribution issued by the Administrative Trustees in accordance with the terms of the Securities, engage in such ministerial activities as so directed as shall be necessary or appropriate to effect the distribution of the Debentures to Holders of Securities upon the occurrence of certain special events (as may be defined in the terms of the Securities) arising from a change in law or a change in legal interpretation or other specified circumstances pursuant to the terms of the Securities.

(d) The Property Trustee shall take all actions and perform such duties as may be specifically required of the Property Trustee pursuant to the terms of the Securities.

(e) The Property Trustee shall take any Legal Action which arises out of or in connection with an Event of Default or the Property Trustee's duties and obligations under this Declaration or the Trust Indenture Act; PROVIDED, HOWEVER, that if a Debenture Event of Default has occurred and is continuing and such event is attributable to the failure of the Sponsor to pay interest or principal on the Debentures on the date such interest or principal is otherwise payable (or in the case of redemption, on the redemption date), then a

holder of Preferred Securities may, to the extent permitted by applicable law, institute a legal proceeding directly for enforcement of payment to such Holder of the principal of or interest on the Debentures having a principal amount equal to the aggregate liquidation amount of the Preferred Securities of such Holder (a "DIRECT ACTION") on or after the respective due date specified in the Securities. In connection with such Direct Action, the rights of the Holders of the Common Securities will be subrogated to the rights of such Holder of Preferred Securities to the extent of any payment made by the Sponsor to such Holder of Preferred Securities in such Direct Action. In addition, if the Property Trustee fails to enforce its rights under the Debentures (other than rights arising from an Event of Default described in the immediately preceding sentence) after any Holder of Preferred Securities shall have made a written request to the Property Trustee to enforce such rights, such Holder of Preferred Securities may, to the fullest extent permitted by law, institute a Direct Action to enforce the Property Trustee or any other Person. Except as provided in the preceding sentences, the Holders of Preferred Securities will not be able to exercise directly any other remedy available to the holders of the Debentures.

either: (f) The Property Trustee shall not resign as a Trustee unless

(i) the Trust has been completely liquidated and the proceeds of the liquidation distributed to the Holders of Securities pursuant to the terms of the Securities; or

(ii) a Successor Property Trustee has been appointed and has accepted that appointment in accordance with Section 5.06.

(g) The Property Trustee shall have the legal power to exercise all of the rights, powers and privileges of a holder of Debentures under the Indenture and, if an Event of Default occurs and is continuing, the Property Trustee shall, for the benefit of Holders of the Securities, enforce its rights as holder of the Debentures subject to the rights of the Holders pursuant to the terms of such Securities.

(h) The Property Trustee will act as Paying Agent and Registrar to pay Distributions, redemption payments or liquidation payments on behalf of the Trust with respect to all securities and any such Paying Agent shall comply with Section 317(b) of the Trust Indenture Act. Any Paying Agent may be removed by the Property Trustee at any time and a successor Paying Agent or additional Paying Agents may be appointed at any time by the Property Trustee.

(i) Subject to this Section 3.08, the Property Trustee shall have none of the duties, liabilities, powers or the authority of the Administrative Trustees set forth in Section 3.06.

The Property Trustee must exercise the powers set forth in this Section 3.08 in a manner that is consistent with the purposes and functions of the Trust set out in Section 3.03, and the Property Trustee shall not take any action that is inconsistent with the purposes and functions of the Trust set out in Section 3.03.

SECTION 3.09. CERTAIN DUTIES AND RESPONSIBILITIES OF THE PROPERTY TRUSTEE. (a) The Property Trustee, before the occurrence of any Event of Default and after the curing of all Events of Default that may have occurred, shall undertake to perform only such duties as are specifically set forth in this Declaration and no implied covenants shall be read into this Declaration against the Property Trustee. In case an Event of Default has occurred (that has not been cured or waived pursuant to Section 2.06), the Property Trustee shall exercise such of the rights and powers vested in it by this Declaration, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) No provision of this Declaration shall be construed to relieve the Property Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) prior to the occurrence of an Event of Default and after the curing or waiving of all such Events of Default that may have occurred:

(A) the duties and obligations of the Property Trustee shall be determined solely by the express provisions of this Declaration and the Property Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Declaration, and no implied covenants or obligations shall be read into this Declaration against the Property Trustee; and

(B) in the absence of bad faith on the part of the Property Trustee, the Property Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Property Trustee and conforming to the

requirements of this Declaration; but in the case of any such certificates or opinions that by any provision hereof are specifically required to be furnished to the Property Trustee, the Property Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Declaration;

(ii) the Property Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Property Trustee, unless it shall be proved that the Property Trustee was negligent in ascertaining the pertinent facts;

(iii) the Property Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a Majority in liquidation amount of the Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Property Trustee, or exercising any trust or power conferred upon the Property Trustee under this Declaration;

(iv) no provision of this Declaration shall require the Property Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers;

(v) the Property Trustee's sole duty with respect to the custody, safe keeping and physical preservation of the Debentures and the Property Trustee Account shall be to deal with such property in a similar manner as the Property Trustee deals with similar property for its own account, subject to the protections and limitations on liability afforded to the Property Trustee under this Declaration and the Trust Indenture Act;

(vi) the Property Trustee shall have no duty or liability for or with respect to the value, genuineness, existence or sufficiency of the Debentures or the payment of any taxes or assessments levied thereon or in connection therewith;

(vii) the Property Trustee shall not be liable for any interest on any money received by it except as it may otherwise agree with the Sponsor. Money held by the Property Trustee need not be segregated from other funds held by it except in relation to the Property Trustee Account maintained by the Property Trustee pursuant to

Section 3.08(c)(i) and except to the extent otherwise required by law; and

(viii) the Property Trustee shall not be responsible for monitoring the compliance by the Administrative Trustees or the Sponsor with their respective duties under this Declaration, nor shall the Property Trustee be liable for the default or misconduct of the Administrative Trustees or the Sponsor.

SECTION 3.10. CERTAIN RIGHTS OF PROPERTY TRUSTEE.

(a) Subject to the provisions of Section 3.09:

(i) the Property Trustee may rely conclusively and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed, sent or presented by the proper party or parties;

(ii) any direction or act of the Sponsor or the Administrative Trustees contemplated by this Declaration shall be sufficiently evidenced by an Officers' Certificate;

The Sponsor shall appoint a Successor Property Trustee within 60 days of such an event.

(d) The Trustee that acts as Delaware Trustee shall not be removed in accordance with Section 5.06(a) until a successor Trustee possessing the qualifications to act as Delaware Trustee under Sections 5.02 and 5.04 (a "SUCCESSOR DELAWARE TRUSTEE") has been appointed and has accepted such appointment by written instrument executed by such Successor Delaware Trustee and delivered to the Trustees and the Sponsor.

(e) A Trustee appointed to office shall hold office until his successor shall have been appointed or until his death, removal or resignation, PROVIDED that a Special Trustee

The vacancy shall be filled with a Trustee appointed in accordance with Section 5.06.

SECTION 5.08. EFFECT OF VACANCIES. The death, resignation, retirement, removal, bankruptcy, dissolution, liquidation, incompetence or incapacity to perform the duties of a Trustee shall not operate to annul the Trust. Whenever a vacancy in the number of Administrative Trustees shall occur, until such vacancy is filled by the appointment of a Administrative Trustee in accordance with Section 5.06, the Administrative Trustees in office, regardless of their number, shall have all the powers granted to the Administrative Trustees and shall discharge all the duties imposed upon the Administrative Trustees by this Declaration.

SECTION 5.09. MEETINGS. Meetings of the Administrative Trustees shall be held from time to time upon the call of any Administrative Trustee. Regular meetings of the Administrative Trustees may be held at a time and place fixed by resolution of the Administrative Trustees. Notice of any meetings of the Administrative Trustees shall be hand delivered or otherwise delivered in writing (including by facsimile or overnight courier) not less than 24 hours before such meeting. Notices shall contain a brief statement of the time, place and anticipated purposes of the meeting. The presence (whether in person or by telephone) of a Administrative Trustee at a meeting shall constitute a waiver of notice of such meeting except where a Administrative Trustee attends a meeting for the express purpose of objecting to the transaction of any activity on the ground that the

meeting has not been lawfully called or convened. Unless provided otherwise in this Declaration, any action of the Administrative Trustees may be taken at a meeting by vote of a majority of the Administrative Trustees present (whether in person or by telephone) and eligible to vote with respect to such matter, PROVIDED that a Quorum is present, or without a meeting by the unanimous written consent of the Administrative Trustees.

In the event there is only one Administrative Trustee, any and all action of such Administrative Trustee shall be evidenced by a written consent of such Administrative Trustee. (b) the Administrative Trustees shall have power to delegate from time to time to such of their number or to officers of the Trust the doing of such things and the execution of such instruments either in the name of the Trust or the names of the Administrative Trustees or otherwise as the Administrative Trustees may deem expedient, to the extent such delegation is not prohibited by applicable law or contrary to the provisions of the Trust, as set forth herein.

SECTION 5.11. MERGER, CONVERSION, CONSOLIDATION OR SUCCESSION TO BUSINESS. Any Person into which the Property Trustee or the Delaware Trustee, as the case may be, may be merged or converted or with which either may be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Property Trustee or the Delaware Trustee, as the case may be, shall be a party, or any Person succeeding to all or substantially all the corporate trust business of the Property Trustee or the Delaware Trustee, as the case may be, shall be the successor of the Property Trustee or the Delaware Trustee, as the case may be, hereunder, PROVIDED such Person shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto; PROVIDES FURTHER, however that the Delaware Trustee shall file amendments to the Certificate of Trust as may be required by the Business Trust Act.

SECTION 7.01. GENERAL PROVISIONS REGARDING SECURITIES. (a) The Administrative Trustees shall on behalf of the Trust issue one class of convertible preferred securities, designated as Convertible Trust Preferred Securities, liquidation amount \$27, representing undivided beneficial interests in the assets of the Trust (the "PREFERRED SECURITIES"), having such terms as are set forth in Annex I and one class of convertible common securities, liquidation amount \$27, representing undivided beneficial interests in the assets of the Trust (the "COMMON SECURITIES"), having such terms as are set forth in Annex I. The Trust shall have no securities or other interests in the assets of the Trust other than the Preferred Securities and the Common Securities.

(b) The consideration received by the Trust for the issuance of the Securities shall constitute a contribution to the capital of the Trust and shall not constitute a loan to the Trust.

(c) Upon issuance of the Securities as provided in this Declaration, the Securities so issued shall be deemed to be validly issued, fully paid and non-assessable, subject to Section 10.01 with respect to the Common Securities.

(d) Every Person, by virtue of having become a Holder or a Preferred Security Beneficial Owner in accordance with the terms of this Declaration, shall be deemed to have expressly assented and agreed to the terms of, and shall be bound by, this Declaration.

SECTION 7.02. EXECUTION AND AUTHENTICATION. (a) The Securities shall be signed on behalf of the Trust by one or more Administrative Trustees. In case any Administrative Trustee of the Trust who shall have signed any of the Securities shall cease to be such Administrative Trustee before the Securities so signed shall be delivered by the Trust, such Securities nevertheless may be delivered as though the person who signed such Securities had not ceased to be such Administrative Trustee; and any Securities may be signed on behalf of the Trust by such persons who, at the actual date of execution of such Security, shall be the Administrative Trustees of the Trust, although at the date of the execution and delivery of the Declaration any such person was not such a Administrative Trustee.

(b) One or more Administrative Trustees shall sign the Preferred Securities for the Trust by manual or facsimile signature. Unless otherwise determined by the Trust, such signature shall, in the case of Common Securities, be a manual signature.

A Preferred Security shall not be valid until authenticated by the manual signature of an authorized signatory of the Property Trustee. The signature shall be conclusive evidence that the Preferred Security has been authenticated under this Declaration.

The aggregate number of Preferred Securities outstanding at any time shall not exceed the number set forth in the terms in Annex I hereto except as provided in Section 7.06.

The Property Trustee may appoint an authenticating agent acceptable to the Trust to authenticate Preferred Securities. An authenticating agent may authenticate Preferred Securities whenever the Property Trustee may do so. Each reference in this Declaration to authentication by the Property Trustee includes authentication by such agent. An authenticating agent has the same rights as the Property Trustee to deal with the Company or an Affiliate.

SECTION 7.03. FORM AND DATING. The Preferred Securities and the Property Trustee's certificate of authentication shall be substantially in the form of Exhibit A-1 or such form as is reasonably acceptable to the

Administrative Trustees, as evidenced by their execution thereof, and the Common Securities shall be substantially in the form of Exhibit A-2, each of which exhibits is hereby incorporated in and expressly made a part of this Declaration. Certificates representing the Securities may be printed, lithographed or engraved or may be produced in any other manner as is reasonably acceptable to the Administrative Trustees, as evidenced by their execution thereof. The Securities may have letters, CUSIP or other numbers, notations or other marks of identification or designation and such legends or endorsements required by law, stock exchange rule, agreements to which the Trust is subject, if any, or usage (provided that any such notation, legend or endorsement is in a form acceptable to the Trust). The Trust at the direction of the Sponsor shall furnish any such legend to the Property Trustee in writing. Each Preferred Security shall be dated the date of its authentication. The terms and provisions of the Securities set forth in Annex I and the forms of Securities set forth in Exhibits A-1 and A-2 are part of the terms of this Declaration and to the extent applicable, the Property Trustee and the Sponsor, by their execution and delivery of this Declaration, expressly agree to such terms and provisions and to be bound thereby.

(a) The Preferred Securities shall initially be issued in the form of duly signed and authenticated certificated Preferred Securities ("Definitive Preferred Securities") and/or in the form of one or more permanent global Securities in definitive, fully registered form without distribution coupons as set forth in Exhibit A-1 hereto (a "Global Preferred Security"), which shall be deposited on behalf of the Holders of the Preferred Securities represented thereby with the Property Trustee, as custodian for the Clearing Agency, and registered in the name of the Clearing Agency or a nominee of the Clearing Agency, duly executed by the Trust and authenticated by the Property Trustee as hereinafter provided. The number of Preferred Securities represented by a Global Preferred Security may from time to time be increased or decreased by adjustments made on the records of the Property Trustee and the Clearing Agency or its nominee as hereinafter provided.

(b) This Section 7.03(b) shall apply only to the Global Preferred Securities and such other Preferred Securities in global form as may be authorized by the Trust to be deposited with or on behalf of the Clearing Agency.

The Trust shall execute and the Property Trustee shall, in accordance with this Section 7.03, authenticate and make available for delivery initially one or more Global Preferred Securities that (i) shall be registered in the name

of Cede & Co. or other nominee of such Clearing Agency and (ii) shall be delivered by the Property Trustee to such Clearing Agency or pursuant to such Clearing Agency's written instructions or held by the Property Trustee as custodian for the Clearing Agency. Members of, or participants in, the Clearing Agency ("Participants") shall have no rights under this Declaration with respect to any Global Preferred Security held on their behalf by the Clearing Agency or by the Property Trustee as the custodian of the Clearing Agency or under such Global Preferred Security, and the Clearing Agency may be treated by the Trust, the Property Trustee and any agent of the Trust or the Property Trustee as the absolute owner of such Global Preferred Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Trust, the Property Trustee or any agent of the Trust or the Property Trustee from giving effect to any written certification, proxy or other authorization furnished by the Clearing Agency or impair, as between the Clearing Agency and its Participants, the operation of customary practices of such Clearing Agency governing the exercise of the rights of a holder of a beneficial interest in any Global Preferred Security.

(c) Except as provided in Section 7.10, 9.01 and Section 9.02, owners of beneficial interests in a Global Preferred Security will not be entitled to receive physical delivery of Definitive Preferred Securities.

SECTION 7.04. REGISTRAR, PAYING AGENT AND CONVERSION AGENT.

The Trust shall maintain in (i) an office or agency where Preferred Securities may be presented for registration of transfer or for exchange ("Registrar"), (ii) an office or agency where Preferred Securities may be presented for payment ("Paying Agent") and (iii) an office or agency where Securities may be presented for conversion ("Conversion Agent"). TERMS OF
CONVERTIBLE PREFERRED TRUST SECURITIES
CONVERTIBLE COMMON SECURITIES

Pursuant to Section 7.01 of the Amended and Restated Declaration of Trust, dated as of February 7, 2000 (as amended from time to time, the "Declaration"), the designation, rights, privileges, restrictions, preferences and other terms and provisions of the Preferred Securities and the Common Securities are set out below (each capitalized term used but not defined herein has the meaning set forth in the Declaration or the Indenture (as defined in the Declaration) or, if not defined in the Declaration or Indenture, as defined in the Offering Circular (as defined in the Declaration)):

1. DESIGNATION AND NUMBER.

- (a) "Preferred Securities." up to 2,000,000 Preferred Securities of the Trust with an aggregate liquidation preference with respect to the assets of the Trust of up to Fifty-four million Dollars (\$54,000,000), and a liquidation amount with respect to the assets of the Trust of \$27 per Preferred Security, are hereby designated for the purposes of identification only as "Convertible Preferred Trust Securities" (the "Preferred Securities"). The Preferred Security Certificates evidencing the Preferred Securities shall be substantially in the form attached hereto as Exhibit A-1 or in such form as is reasonably acceptable to the Administrative Trustees, as evidenced by their execution thereof, with such changes and additions thereto or deletions therefrom as may be required by ordinary usage, custom or practice or to conform to the rules of any stock exchange or other organization on which the Preferred Securities are listed.
- (b) "Common Securities." up to 61,856 Common Securities of the Trust with an aggregate liquidation amount with respect to the assets of the Trust of up to one million six hundred seventy thousand one hundred twelve Dollars (\$1,670,112) and a liquidation amount with respect to the assets of the Trust of \$27 per Common Security, are hereby designated for the purposes of identification only as "Convertible Common Securities" (the "Common Securities"). The Common Security Certificates evidencing the Common Securities shall be substantially in the form

attached hereto as Exhibit A-2, with such changes and additions thereto or deletions therefrom as may be required by ordinary usage, custom or practice.

2. DISTRIBUTIONS.

- (a) Distributions payable on each Security will be fixed at a rate per annum of \$2.00 for each Preferred Security (the "Coupon Rate"), such rate being the rate of interest payable on the Debentures to be held by the Property Trustee. Distributions in arrears for more than one quarter will bear interest thereon compounded quarterly at the Coupon Rate (to the extent permitted by applicable law). The term "Distributions" as used herein includes such quarterly distributions, additional distributions on quarterly distributions not paid on the applicable Distribution Date, Special Distributions and Additional Sums, as applicable. A Distribution is payable only to the extent that payments are made in respect of the Debentures held by the Property Trustee and to the extent the Property Trustee has funds available therefor. Except for the Distribution payable on March 15, 2000, the amount of Distributions payable for any period will be computed for any full quarterly Distribution period on the basis of a 360-day year of twelve 30-day months, and for any period shorter than a full quarterly Distribution period for which Distributions are computed, Distributions will be computed on the basis of the actual number of days elapsed per 30-day month.
- (b) Distributions on the Securities will be cumulative, will accrue from the date of their original issuance and will be payable quarterly in arrears, on the following dates, which dates correspond to the interest payment dates on the Debentures: March 15, June 15, September 15 and December 15 of each year, commencing on March 15, 2000, except as otherwise described below. The Sponsor has the right under the Indenture to defer payments of interest after March 15, 2000, by extending the interest payment period from time to time on the Debentures for a period not exceeding 20 consecutive quarters (each a "Deferral Period") and, as a consequence of such deferral, Distributions will also be deferred. Despite such deferral, quarterly Distributions will continue to accrue with interest thereon (to the extent permitted by applicable law) at the Coupon Rate compounded quarterly during any such Deferral

Period. Prior to three Business Days before a Regular Record Date fixed for a Payment Resumption Date (as defined in the Indenture), the Sponsor may further extend such Deferral Period; PROVIDED that such Deferral Period together with all such previous and further extensions thereof may not exceed 20 consecutive quarters or extend beyond the maturity (whether at the stated maturity or by declaration of acceleration, call for redemption or otherwise) of the Debentures under the Indenture. Payments of accrued Distributions will be payable to Holders as they appear on the books and records of the Trust on the Regular Record Date for the relevant Payment Resumption Date. Upon the termination of any Deferral Period and the payment of all amounts then due, the Sponsor may commence a new Deferral Period, subject to the above requirements.

- (c) Distributions on the Securities will be payable to the Holders thereof as they appear on the books and records of the Trust at the close of business on the relevant record dates. The relevant record dates shall be on the first day of the month of the relevant payment dates, except as otherwise described in this Annex I to the Declaration. Subject to any applicable laws and regulations and the provisions of the Declaration, each such payment in respect of Preferred Securities being held in book-entry form through The Depository Trust Company (the "Depository") will be made as described under the heading "Description of the Preferred Securities -- Form, Book-Entry Procedures and Transfer" in the Offering Circular. The relevant record dates for the Common Securities shall be the same record dates as for the Preferred Securities. Distributions payable on any Securities that are not punctually paid on any Distribution payment date, as a result of the Sponsor having failed to make a payment under the Debentures, will cease to be payable to the Person in whose name such Securities are registered on the relevant record date, and such defaulted Distribution will instead be payable to the Person in whose name such Securities are registered on the special record date or other specified date determined in accordance with the Indenture. If any date on which Distributions are payable on the Securities is not a Business Day, then payment of the Distribution payable on such date will be made on the next succeeding day that is a Business Day (and without any interest or other payment in respect of any such delay) except that, with respect

to any Redemption Date, if such Business Day is in the next succeeding calendar year, such Redemption Date shall be the immediately preceding Business Day, in each case with the same force and effect as if made on such date.

- (d) In the event of an election by the Holder to convert its Securities through the Conversion Agent into Parent Stock pursuant to the terms of the Securities as forth in this Annex I to the Declaration, no payment, allowance or adjustment shall be made with respect to accumulated and unpaid Distributions on such Securities, or be required to be made; PROVIDED that Holders of Securities at the close of business on any record date for the payment of Distributions will be entitled to receive the Distributions payable on such Securities on the corresponding payment date notwithstanding the conversion of such Securities into Parent Stock following such record date.
- (e) In the event that there is any money or other property held by or for the Trust that is not accounted for hereunder, such property shall be distributed Pro Rata (as defined herein) among the Holders of the Securities.

3. LIQUIDATION DISTRIBUTION UPON DISSOLUTION.

In the event of any voluntary or involuntary dissolution, winding-up or termination of the Trust, the Trust shall be liquidated by the Trustees as expeditiously as the Trustees determine to be possible by distributing, after satisfaction of liabilities to creditors of the Trust as provided by applicable law, to the Holders of the Securities a Like Amount of Debentures, unless such distribution would not be practical, in which event such Holders will be entitled to receive out of the assets of the Trust available for distribution to holders, after satisfaction of liabilities to creditors of the Trust as provided by applicable law, an amount equal to, in the case of holders of Preferred Securities, the aggregate liquidation amount thereof plus accrued and unpaid Distributions thereon to the date of payment (such amount being the "Liquidation Distribution"). If such Liquidation Distribution can be paid only in part because the Trust has insufficient assets available to pay in full the aggregate Liquidation Distribution, then the amounts payable directly by the Trust on the Preferred Securities shall be paid on a Pro Rata (as defined below) basis in accordance with paragraph 9. The Holder of the Common Securities will be entitled to receive distributions upon any

such liquidation Pro Rata with the holders of the Preferred Securities, except as provided in paragraph 10.

4. REDEMPTION AND DISTRIBUTION.

- (a) Upon the repayment or payment of the Debentures in whole or in part, whether at maturity or upon redemption or otherwise (other than following any distribution of the Debentures to the Holders), the proceeds from such repayment or redemption shall be simultaneously applied to redeem, on a Pro Rata basis, a Like Amount of Securities, on the redemption date, in an amount per Security equal to the applicable redemption price, which redemption price will be equal to (i) the liquidation amount of each of the Securities plus any accrued and unpaid Distributions thereon (A) in the case of the repayment of the Debentures at stated maturity, or (B) in the case of a redemption of the Debentures in certain limited circumstances set forth in the Indenture upon the occurrence of a Tax Event or (ii) in the case of an Optional Redemption on or after March 15, 2003, the Optional Redemption Price (as defined in the Indenture), payable in cash (as applicable, the "Redemption Price"). Holders will be given not less than 30 (or, in the case of a redemption pursuant to subparagraph (d) below, 20) nor more than 60 days' notice of such redemption. Upon the repayment of the Debentures at maturity or upon any acceleration, earlier redemption or otherwise, the proceeds from such repayment will be applied to redeem the Securities, in whole, upon not less than 30 nor more than 60 days' notice.
- (b) If fewer than all the outstanding Securities are to be so redeemed, the Common Securities and the Preferred Securities will be redeemed Pro Rata and the Preferred Securities to be redeemed will be as described in Paragraph 4(f)(ii) below.
- (c) The Sponsor, as the Holder of the outstanding Common Securities, shall have the right at any time (including, without limitation, upon the occurrence of a Tax Event or Investment Company Act Event) to terminate the Trust and, after satisfaction of the creditors of the Trust, cause a Like Amount of the Debentures to be distributed to the holders of the Securities upon liquidation of the Trust, PROVIDED that the Administrative Trustees shall have received a No Recognition Opinion (as defined below) prior to the liquidation of the Trust; and PROVIDED FURTHER

that, following such distribution of the Debentures, the Sponsor shall use its best efforts to maintain a rating of such Debentures by any nationally recognized rating agency for so long as any such Debentures are outstanding.

- (d) If, at any time, a Tax Event shall occur and be continuing the Sponsor shall cause the Administrative Trustees to liquidate the Trust and, after satisfaction of creditors of the Trust, cause Debentures to be distributed to the Holders of the Securities in liquidation of the Trust within 90 days following the occurrence of such Tax Event (the "90 Day Period"); PROVIDED, HOWEVER, that such liquidation and distribution shall be conditioned on (i) the Trustees' receipt of an opinion of a nationally recognized independent tax counsel (reasonably acceptable to the Trustees) experienced in such matters (a "No Recognition Opinion"), which opinion may rely on published revenue rulings of the Internal Revenue Service, to the effect that the Holders of the Securities will not recognize any income, gain or loss for United States federal income tax purposes as a result of such liquidation and distribution of Debentures, and (ii) the Sponsor being unable to avoid such Tax Event within the 90 Day Period by taking some ministerial action or pursuing some other reasonable measure that, in the sole judgment of the Sponsor, will have no adverse effect on the Trust, the Sponsor or the Holders of the Securities and will involve no material cost ("MINISTERIAL ACTION").

If (i) the Sponsor has received an opinion (a "REDEMPTION TAX OPINION") of a nationally recognized independent tax counsel (reasonably acceptable to the Trustees) experienced in such matters that, as a result of a Tax Event, there is more than an insubstantial risk that the Sponsor would be precluded from deducting the interest on the Debentures for United States federal income tax purposes, even after the Debentures were distributed to the Holders of Securities upon liquidation of the Trust as described in this paragraph 4(d), or (ii) the Trustees shall have been informed by such tax counsel that it cannot deliver a No Recognition Opinion, the Sponsor shall have the right, upon not less than 20 nor more than 60 days' notice, and within 90 days following the occurrence of such Tax Event, to redeem the Debentures in whole (but not in part) for cash, for the principal amount plus

accrued and unpaid interest thereon and, following such redemption, all the Securities will be redeemed by the Trust at the liquidation amount of \$27 per Security plus accrued and unpaid Distributions thereon; PROVIDED, HOWEVER, that, if at the time there is available to the Sponsor or the Trust the opportunity to eliminate, within the 90 Day Period, the Tax Event by taking some Ministerial Action, the Trust or the Sponsor will pursue such Ministerial Action in lieu of redemption.

In lieu of the foregoing options, the Sponsor shall also have the option of causing the Securities to remain outstanding and pay Additional Sums on the Debentures.

"Tax Event" means that the Property Trustee shall have received an opinion of a nationally recognized independent tax counsel to the Sponsor (reasonably acceptable to the Trustees) experienced in such matters (a "Dissolution Tax Opinion") to the effect that, as a result of (a) any amendment to, or change (including any announced prospective change (which shall not include a proposed change), provided that a Tax Event shall not occur more than 90 days before the effective date of any such prospective change) in the laws (or any regulations thereunder) of the United States or any political subdivision or taxing authority therefor or therein, (ii) any judicial decision or official administrative pronouncement, ruling, regulatory procedure, notice or announcement, including any notice or announcement of intent to adopt such procedures or regulations (an "Administrative Action") or (iii) any amendment to or change in the administrative position or interpretation of any Administrative Action or judicial decision that differs from the theretofore generally accepted position, in each case, by any legislative body, court, governmental agency or regulatory body, irrespective of the manner in which such amendment or change is made known, which amendment or change is effective or such Administrative Action or decision is announced, in each case, on or after the date of original issuance of the Debentures or the issue date of the Preferred Securities issued by the Trust, there is more than an insubstantial risk that (a) if the Debentures are held by the Property Trustee, (I) the Trust is, or will be within 90 days of the date of such opinion, subject to United States federal income tax with

respect to interest accrued or received on the Debentures or subject to more than a DE MINIMIS amount of other taxes, duties or other governmental charges as determined by such counsel, or (II) any portion of interest payable by the Sponsor to the Trust on the Debentures is not, or within 90 days of the date of such opinion will not be, deductible by the Sponsor in whole or in part for United States federal income tax purposes or (b) with respect to Debentures which are no longer held by the Property Trustee, any portion of interest payable by the Sponsor on the Debentures is not, or within 90 days of the date of such opinion will not be, deductible by the Sponsor in whole or in part for United States federal income tax purposes.

If an Investment Company Event (as hereinafter defined) shall occur and be continuing, the Sponsor shall cause the Trustees to liquidate the Trust and cause the Debentures to be distributed to the Holders of the Securities in liquidation of the Trust within 90 days following the occurrence of such Investment Company Event.

"Investment Company Event" means the occurrence of a change in law or regulation or a written change in interpretation or application of law or regulation by any legislative body, court, governmental agency or regulatory authority (a "Change in 1940 Act Law"), to the effect that the Trust is or will be considered an Investment Company which is required to be registered under the Investment Company Act, which Change in 1940 Act Law becomes effective on or after the date of the Offering Circular.

After the date fixed for any distribution of Debentures: (i) the Securities will no longer be deemed to be outstanding, (ii) the Depositary or its nominee (or any successor Depositary or its nominee), as record Holder of Preferred Securities represented by global certificates, will receive a registered global certificate or certificates representing the Debentures to be delivered upon such distribution and (iii) any certificates representing Securities, except for certificates representing Preferred Securities held by the Depositary or its nominee (or any successor Depositary or its nominee), will be deemed to represent Debentures having an aggregate principal amount equal to the aggregate stated liquidation

amount of such Securities, with accrued and unpaid interest equal to accrued and unpaid Distributions on such Securities until such certificates are presented to the Sponsor or its agent for transfer or reissuance.

- (e) The Securities will not be redeemed unless all accrued and unpaid Distributions have been paid on all Securities for all quarterly Distribution periods terminating on or before the date of redemption.
- (f) Redemption or Distribution Procedures.
 - (i) Notice of any redemption of, or notice of distribution of Debentures in exchange for the Securities (a "Redemption/Distribution Notice") will be given by the Trust by mail to each Holder of Securities to be redeemed or exchanged not fewer than 30 (or 20, in the case of redemption or distribution upon the occurrence of a Tax Event) nor more than 60 days before the date fixed for redemption or exchange thereof which, in the case of a redemption, will be the date fixed for redemption of the Debentures. For purposes of the calculation of the date of redemption or exchange and the dates on which notices are given pursuant to this paragraph 4(f)(i), a Redemption/Distribution Notice shall be deemed to be given on the day such notice is first mailed by first-class mail, postage prepaid, to Holders of Securities. Each Redemption/Distribution Notice shall be addressed to the Holders of Securities at the address of each such Holder appearing in the books and records of the Trust. No defect in the Redemption/Distribution Notice or in the mailing of either thereof with respect to any Holder shall affect the validity of the redemption or exchange proceedings with respect to any other Holder.
 - (ii) In the event that fewer than all the outstanding Securities are to be redeemed, the Securities to be redeemed shall be redeemed Pro Rata from each Holder of Preferred Securities, it being understood that, in respect of Preferred Securities registered in the name of and held of record by the Depositary (or any successor Depositary) or any nominee, the

distribution of the proceeds of such redemption will be made to each Participant (or Person on whose behalf such nominee holds such securities) in accordance with the procedures applied by such agency or nominee.

- (iii) If Securities are to be redeemed and the Trust gives a Redemption/Distribution Notice, which notice may only be issued if the Debentures are redeemed as set out in this paragraph 4 (which notice will be irrevocable), then (A) with respect to Preferred Securities held in book-entry form, by 12:00 noon, New York City time, on the redemption date, to the extent funds are available, with respect to Preferred Securities held in global form, the Property Trustee will deposit irrevocably with the Depositary (or successor Depositary) funds sufficient to pay the amount payable on redemption with respect to such Preferred Securities and will give the Depositary irrevocable instructions and authority to pay the amount payable on redemption to the Holders of such Preferred Securities, and (B) with respect to Preferred Securities issued in certificated form and Common Securities, to the extent funds are available, the Property Trustee will irrevocably deposit with the Paying Agent funds sufficient to pay the amount payable on redemption to the Holders of such Securities and will give the Paying Agent irrevocable instructions and authority to pay the amount payable on redemption to the Holders thereof upon surrender of their certificates. If a Redemption/Distribution Notice shall have been given and funds deposited as required, then on the date of such deposit, all rights of Holders of such Securities so called for redemption will cease, except the right of the Holders of such Securities to receive the redemption price, but without interest on such redemption price, and such Securities will cease to be outstanding. Neither the Administrative Trustees nor the Trust shall be required to register or cause to be registered the transfer of any Securities that have been so called for redemption. If any date fixed for redemption of Securities is not a Business Day, then payment of the amount payable on such date will be made on the next succeeding day that is a Business Day (without any interest or other

payment in respect of any such delay) except that, if such Business Day falls in the next calendar year, such payment will be made on the immediately preceding Business Day, in each case with the same force and effect as if made on such date fixed for redemption. If payment of the redemption price in respect of any Securities is improperly withheld or refused and not paid either by the Trust or by the Sponsor as guarantor pursuant to the relevant Securities Guarantee, Distributions on such Securities will continue to accrue at the then applicable rate, from the original redemption date to the date of payment, in which case the actual payment date will be considered the date fixed for redemption for purposes of calculating the amount payable upon redemption (other than for purposes of calculating any premium).

- (iv) Redemption/Distribution Notices shall be sent by the Administrative Trustees on behalf of the Trust to (A) in the case of Preferred Securities held in book-entry form, the Depository and, in the case of Securities held in certificated form, the Holders of such certificates and (B) in respect of the Common Securities, the Holder thereof.
- (v) Subject to the foregoing and applicable law (including, without limitation, United States federal securities laws), the Sponsor or any of its subsidiaries may at any time and from time to time purchase outstanding Preferred Securities by tender, in the open market or by private agreement.

5. CONVERSION RIGHTS.

The Holders of Securities shall have the right at any time, at their option, to cause the Conversion Agent to convert Securities, on behalf of the converting Holders, into shares of Parent Stock in the manner described herein on and subject to the following terms and conditions:

- (a) The Securities will be convertible at the office of the Conversion Agent into fully paid and nonassessable shares of Parent Stock pursuant to the Holder's direction to the Conversion Agent to exchange such Securities for a portion of the

Debentures theretofore held by the Trust on the basis of one Security per \$27 principal amount of Debentures, and immediately convert such amount of Debentures into fully paid and nonassessable shares of Parent Stock at an initial rate of 0.73 shares of Parent Stock per \$27 principal amount of Debentures (which is equivalent to a conversion price of \$37 per share of Parent Stock, subject to certain adjustments set forth in the Indenture (as so adjusted, "Conversion Price")).

- (b) In order to convert Securities into Parent Stock the Holder shall submit to the Conversion Agent at the office referred to above an irrevocable request to convert Securities on behalf of such Holder (the "Conversion Request"), together, if the Securities are in certificated form, with such certificates. The Conversion Request shall (i) set forth the number of Securities to be converted and the name or names, if other than the Holder, in which the shares of Parent Stock should be issued and (ii) direct the Conversion Agent (a) to exchange such Securities for a portion of the Debentures held by the Trust (at the rate of exchange specified in the preceding paragraph) and (b) to immediately convert such Debentures on behalf of such Holder, into Parent Stock (at the conversion rate specified in the preceding paragraph). The Conversion Agent shall notify the Trust of the Holder's election to exchange Securities for a portion of the Debentures held by the Trust and the Trust shall, upon receipt of such notice, deliver to the Conversion Agent the appropriate principal amount of Debentures for exchange in accordance with this Section. The Conversion Agent shall thereupon notify the Sponsor of the Holder's election to convert such Debentures into shares of Parent Stock. Holders of Securities at the close of business on a Distribution record date will be entitled to receive the Distribution payable on such Securities on the corresponding Distribution payment date notwithstanding the conversion of such Securities following such record date but prior to such distribution payment date. Except as provided above, neither the Trust nor the Sponsor will make, or be required to make, any payment, allowance or adjustment upon any conversion on account of any accumulated and unpaid Distributions accrued on the Securities, whether or not in arrears, (including any Additional Amounts accrued thereon) surrendered for conversion, or on account of any accumulated and unpaid dividends on

the shares of Parent Stock issued upon such conversion, except to the extent that such shares are held of record on the record date for any such distributions. Securities shall be deemed to have been converted immediately prior to the close of business on the day on which a Notice of Conversion relating to such Securities is received by the Trust in accordance with the foregoing provision (the "Conversion Date"). The Person or Persons entitled to receive the Parent Stock issuable upon conversion of the Debentures shall be treated for all purposes as the record holder or holders of such Parent Stock at such time. As promptly as practicable on or after the Conversion Date, the Sponsor shall issue and deliver at the office of the Conversion Agent a certificate or certificates for the number of full shares of Parent Stock issuable upon such conversion, together with the cash payment, if any, in lieu of any fraction of any share to the Person or Persons entitled to receive the same, unless otherwise directed by the Holder in the notice of conversion and the Conversion Agent shall distribute such certificate or certificates to such Person or Persons.

- (c) Each Holder of a Security by his acceptance thereof appoints Firststar Bank, National Association, "Conversion Agent" for the purpose of effecting the conversion of Securities in accordance with this Section. In effecting the conversion and transactions described in this Section, the Conversion Agent shall be acting as agent of the Holders of Securities directing it to effect such conversion transactions. The Conversion Agent is hereby authorized (i) to exchange Securities from time to time for Debentures held by the Trust in connection with the conversion of such Securities in accordance with this Section and (ii) to convert all or a portion of the Debentures into Parent Stock and thereupon to deliver such shares of Parent Stock in accordance with the provisions of this Section and to deliver to the Trust a new Debenture or Debentures for any resulting unconverted principal amount.
- (d) No fractional shares of Parent Stock will be issued as a result of conversion, but in lieu thereof, such fractional interest will be paid in cash by the Sponsor to the Trust, which in turn will make such payment to the Holder or Holders of Securities so converted.

- (e) The Sponsor shall at all times reserve and keep available out of its authorized and unissued Parent Stock, solely for issuance upon the conversion of the Debentures, free from any preemptive or other similar rights, such number of shares of Parent Stock as shall from time to time be issuable upon the conversion of all the Debentures then outstanding. Notwithstanding the foregoing, the Sponsor shall be entitled to deliver upon conversion of Debentures, shares of Parent Stock reacquired and held in the treasury of the Sponsor (in lieu of the issuance of authorized and unissued shares of Parent Stock), so long as any such treasury shares are free and clear of all liens, charges, security interests or encumbrances. Any shares of Parent Stock issued upon conversion of the Debentures shall be duly authorized, validly issued and fully paid and nonassessable. The Trust shall deliver the shares of Parent Stock received upon conversion of the Debentures to the converting Holder free and clear of all liens, charges, security interests and encumbrances, except for United States withholding taxes. Each of the Sponsor and the Trust shall prepare and shall use its best efforts to obtain and keep in force such governmental or regulatory permits or other authorizations as may be required by law, and shall comply with all applicable requirements as to registration or qualification of the Parent Stock (and all requirements to list the Parent Stock issuable upon conversion of Debentures that are at the time applicable), in order to enable the Sponsor to lawfully issue Parent Stock to the Trust upon conversion of the Debentures and the Trust to lawfully deliver the Parent Stock to each Holder upon conversion of the Securities.
- (f) The Sponsor will pay any and all taxes that may be payable in respect of the issue or delivery of shares of Parent Stock on conversion of Debentures and the delivery of the shares of Parent Stock by the Trust upon conversion of the Securities. The Sponsor shall not, however, be required to pay any tax which may be payable in respect of any transfer involved in the issue and delivery of shares of Parent Stock in a name other than that in which the Securities so converted were registered, and no such issue or delivery shall be made unless and until the person requesting such issue has paid to the Trust the amount of any such tax, or has established to the satisfaction of the Trust that such tax has been paid.

- (g) Nothing in the preceding Paragraph (f) shall limit the requirement of the Trust to withhold taxes pursuant to the terms of the Securities set forth in this Annex I to the Declaration or in the Declaration itself or otherwise require the Property Trustee or the Trust to pay any amounts on account of such withholdings.

6. VOTING RIGHTS - PREFERRED SECURITIES.

- (a) Except as provided under paragraphs 6(b) and 8, in the Business Trust Act and as otherwise required by law, the Declaration and the Indenture, the Holders of the Preferred Securities will have no voting rights.
- (b) In addition to the rights of the Holders of the Preferred Securities with respect to the enforcement of payment of principal and interest on the Debentures set forth herein, in the Declaration or in the Indenture, if (i) a Debenture Event of Default occurs and is continuing or (ii) the Company defaults under the Guarantee (each of (i) and (ii) being an "APPOINTMENT EVENT"), then the Holders of the Preferred Securities, acting as a single class, will be entitled by the vote of a Majority in liquidation amount of the Preferred Securities to appoint a Special Trustee in accordance with Section 5.06(a)(ii)(B) of the Declaration. Any Holder of Preferred Securities (other than the Sponsor, or any entity directly or indirectly controlling or controlled by or under direct or indirect common control with the Sponsor) will be entitled to nominate any person to be appointed as Special Trustee. Not later than 30 days after such right to appoint a Special Trustee arises, the Trustees will convene a meeting for the purpose of appointing a Special Trustee. If the Trustees fail to convene such meeting within such 30-day period, the Holders of not less than 10% in aggregate liquidation amount of the Preferred Securities will be entitled to convene such meeting in accordance with Section 12.02 of the Declaration. The record date for such meeting will be the close of business on the Business Day that is one Business Day before the day on which notice of the meeting is sent to the Holders. The provisions of the Declaration relating to the convening and conduct of the meetings of the Holders will apply with respect to any such meeting.

Any Special Trustee so appointed shall cease to be a Special Trustee if the Appointment Event pursuant to which the Special Trustee was appointed and all other Appointment Events cease to be continuing. A Special Trustee may be removed without cause at any time by vote of the Holders of a Majority in liquidation amount of the Preferred Securities at a meeting of the Holders of the Preferred Securities in accordance with Section 5.06(a)(ii)(B) of the Declaration. The Holders of 10% in liquidation amount of the Preferred Securities will be entitled to convene such a meeting in accordance with Section 12.02 of the Declaration. The record date for such meeting will be the close of business on the Business Day which is one Business Day before the day on which the notice of meeting is sent to Holders. Notwithstanding the appointment of a Special Trustee, the Sponsor shall retain all rights under the Indenture, including the right to defer payments of interest by extending the interest payment period on the Debentures.

Subject to the requirements set forth in this paragraph, the Holders of a majority in liquidation amount of the Preferred Securities, voting separately as a class may, and the Trustees shall not, without obtaining the prior approval of the Holders of a Majority in aggregate liquidation amount of all outstanding Preferred Securities (i) direct the time, method, and place of conducting any proceeding for any remedy available to the Property Trustee under the Indenture, or executing any trust or power conferred upon the Property Trustee with respect to the Debentures, (ii) waive any past default and its consequences that is waivable under Section 5.13 of the Indenture or otherwise, (iii) exercise any right to rescind or annul a declaration that the principal of all the Debentures shall be due and payable or (iv) consent to any amendment, modification or termination of the Indenture or the Debentures, where such consent shall be required, PROVIDED, HOWEVER, that, where a consent under the Indenture would require the consent or act of the Holders of greater than a majority of the Holders in principal amount of Debentures affected thereby (a "SUPER MAJORITY"), the Property Trustee may only give such consent or take such action at the direction of the Holders of at least the proportion in liquidation preference of the Preferred Securities which the relevant Super Majority represents of the aggregate principal

amount of the Debentures outstanding. The Property Trustee shall not, and none of the other Trustees shall in any event, revoke any action previously authorized or approved by a vote of the Holders of the Preferred Securities, except by a subsequent vote of the Holders of the Preferred Securities. Other than with respect to directing the time, method and place of conducting any remedy available to the Property Trustee or the Debenture Trustee as set forth above, the Property Trustee shall not take any action in accordance with the directions of the Holders of the Preferred Securities under this paragraph unless the Property Trustee has obtained an opinion of tax counsel to the effect that, as a result of such action, the Trust will not fail to be classified as a grantor trust for United States federal income tax purposes.

If a Declaration Event of Default has occurred and is continuing and such event is attributable to the failure of the Debenture Issuer to pay interest or principal on the Debentures on the date such interest or principal is otherwise payable (or in the case of redemption on the redemption date), then a Holder of Preferred Securities may directly institute a proceeding for enforcement of payment to such Holder (a "Direct Action") of the principal of or interest on the Debentures having a principal amount equal to the aggregate liquidation amount of the Preferred Securities of such Holder on or after the respective due date specified in the Debentures. Except as provided in the preceding sentence, the Holders of Preferred Securities will not be able to exercise directly any other remedy available to the Holders of the Debentures. In connection with any Direct Action, the Debenture Issuer will be subrogated to the rights of such Holder of Preferred Securities under the Declaration to the extent of any payment made by the Debenture Issuer to such Holder of Preferred Securities in such Direct Action. In addition, the Holders of at least 25% in aggregate liquidation preference of Preferred Securities outstanding shall have the right to institute suit on behalf of the Trust for the enforcement of the right to receive payment of the principal of and interest on the Debentures on or after the Stated Maturity (as defined in the Indenture) of such Debentures or, in the case of redemption, on the Redemption Date (as defined in the Indenture), in the event the Debenture Trustee

or the Property Trustee fails to do so in accordance with the terms of the Indenture.

Any approval or direction of Holders of Preferred Securities may be given at a separate meeting of Holders of Preferred Securities convened for such purpose, at a meeting of all of the Holders of Securities in the Trust or pursuant to written consent. The Administrative Trustees will cause a notice of any meeting at which Holders of Preferred Securities are entitled to vote, or of any matter upon which action by written consent of such Holders is to be taken, to be mailed to each Holder of record of Preferred Securities. Each such notice will include a statement setting forth the following information (i) the date of such meeting or the date by which such action is to be taken, (ii) a description of any resolution proposed for adoption at such meeting on which such Holders are entitled to vote or of such matter upon which written consent is sought and (iii) instructions for the delivery of proxies or consents.

No vote or consent of the Holders of the Preferred Securities will be required for the Trust to redeem and cancel Preferred Securities or to distribute the Debentures in accordance with the Declaration and the terms of the Securities.

Notwithstanding that Holders of Preferred Securities are entitled to vote or consent under any of the circumstances described above, any of the Preferred Securities that are owned by the Sponsor or any Affiliate of the Sponsor shall not be entitled to vote or consent and shall, for purposes of such vote or consent, be treated as if they were not outstanding.

7. VOTING RIGHTS - COMMON SECURITIES.

- (a) Except as provided under paragraphs 7(b), (c) and 8, in the Business Trust Act and as otherwise required by law and the Declaration, the Holders of the Common Securities will have no voting rights.
- (b) The Holders of the Common Securities are entitled, in accordance with Article V of the Declaration, to vote to appoint, remove or replace any Trustee, subject to the exclusive right of the Holders of the Preferred Securities to appoint, remove or replace a Special Trustee.

- (c) Subject to Section 2.06 of the Declaration and only after the Event of Default with respect to the Preferred Securities has been cured, waived, or otherwise eliminated and subject to the requirements of the second to last sentence of this paragraph, the Holders of a Majority in liquidation amount of the Common Securities, voting separately as a class, may direct the time, method, and place of conducting any proceeding for any remedy available to the Property Trustee, or exercising any trust or power conferred upon the Property Trustee under the Declaration, including (i) directing the time, method, place of conducting any proceeding for any remedy available to the Debenture Trustee, or exercising any trust or power conferred on the Debenture Trustee with respect to the Debentures, (ii) waive any past default and its consequences that is waivable under Section 5.13 of the Indenture, or (iii) exercise any right to rescind or annul a declaration that the principal of all the Debentures shall be due and payable, PROVIDED that, where a consent or action under the Indenture would require a Super Majority, the Property Trustee may only give such consent or take such action at the direction of the Holders of at least the proportion in liquidation amount of the Common Securities which the relevant Super Majority represents of the aggregate principal amount of the Debentures outstanding. Pursuant to this paragraph 7(c), the Property Trustee shall not revoke any action previously authorized or approved by a vote of the Holders of the Preferred Securities, except by a subsequent vote of the Holders of the Preferred Securities. Other than with respect to directing the time, method and place of conducting any remedy available to the Property Trustee or the Debenture Trustee as set forth above, the Property Trustee shall not take any action in accordance with the directions of the Holders of the Common Securities under this paragraph unless the Property Trustee has obtained an opinion of tax counsel to the effect that, as a result of such action the Trust will not fail to be classified as a grantor trust for United States federal income tax purposes. If the Property Trustee fails to enforce its rights, as holder of the Debentures, under the Indenture, any Holder of Common Securities may, after a period of 30 days has elapsed from such Holder's written request to the Property Trustee to enforce such rights, institute a legal proceeding directly against the Sponsor, to enforce the Property Trustee's rights, as holder of

the Debentures, under the Indenture, without first instituting any legal proceeding against the Property Trustee or any other Person.

Any approval or direction of Holders of Common Securities may be given at a separate meeting of Holders of Common Securities convened for such purpose, at a meeting of all of the Holders of Securities in the Trust or pursuant to written consent. The Administrative Trustees will cause a notice of any meeting at which Holders of Common Securities are entitled to vote, or of any matter upon which action by written consent of such Holders is to be taken, to be mailed to each Holder of record of Common Securities. Each such notice will include a statement setting forth (i) the date of such meeting or the date by which such action is to be taken, (ii) a description of any resolution proposed for adoption at such meeting on which such Holders are entitled to vote or of such matter upon which written consent is sought and (iii) instructions for the delivery of proxies or consents.

No vote or consent of the Holders of the Common Securities will be required for the Trust to redeem and cancel Common Securities or to distribute the Debentures in accordance with the Declaration and the terms of the Securities.

8. AMENDMENTS TO DECLARATION AND INDENTURE.

- (a) In addition to any requirements under Section 12.01 of the Declaration, if any proposed amendment to the Declaration provides for, or the Administrative Trustees otherwise propose to effect, (i) any action that would adversely affect the powers, preferences or rights of the Securities, whether by way of amendment to the Declaration or otherwise, or (ii) the dissolution, winding-up or termination of the Trust, other than as described in Section 8.01 of the Declaration, then the Holders of outstanding Securities will be entitled to vote on such amendment or proposal (but not on any other amendment or proposal) and such amendment or proposal shall not be effective except with the approval of the Holders of at least a Majority in liquidation amount of the Securities, voting together as a single class, PROVIDED, HOWEVER, that, the rights of Holders of Preferred Securities under Article V of the Declaration to appoint, remove or

replace a Special Trustee shall not be amended without the consent of each Holder of Preferred Securities; and PROVIDED FURTHER that if any amendment or proposal referred to in clause (i) above would adversely affect only the Preferred Securities or only the Common Securities, then only the affected class will be entitled to vote on such amendment or proposal and such amendment or proposal shall not be effective except with the approval of at least a Majority in liquidation amount of such class of Securities.

- (b) In the event the consent of the Property Trustee as the holder of the Debentures is required under the Indenture with respect to any amendment, modification or termination of the Indenture or the Debentures, the Property Trustee shall request the direction of the Holders of the Securities with respect to such amendment, modification or termination and shall vote with respect to such amendment, modification or termination as directed by at least the same proportion in aggregate stated liquidation preference of the Securities; PROVIDED, ----- HOWEVER, that the Property Trustee shall not take ----- any action in accordance with the directions of the Holders of the Securities under this paragraph 8(b) unless the Property Trustee has obtained an opinion of tax counsel to the effect that for the purposes of United States federal income tax the Trust will not be classified as other than a grantor trust on account of such action.

9. PRO RATA.

A reference in these terms of the Securities to any payment, Distribution or treatment as being "Pro Rata" shall mean pro rata to each Holder of Securities according to the aggregate liquidation amount of the Securities held by the relevant Holder in relation to the aggregate liquidation amount of all Securities outstanding unless, on any Distribution Date or redemption date an Event of Default under the Declaration has occurred and is continuing, in which case no payment of any Distribution on, or amount payable upon redemption of, any Common Security, and no other payment on account of the redemption, liquidation or other acquisition of Common Securities, shall be made unless payment in full in cash of all accumulated and unpaid Distributions on all outstanding Preferred Securities for all Distribution periods terminating on or prior thereto, or in the case of payment of the amount payable upon redemption of the Preferred Securities, the full amount of such amount in respect of all

outstanding Preferred Securities shall have been made or provided for, and all funds available to the Property Trustee shall first be applied to the payment in full in cash of all Distributions on, or the amount payable upon redemption of Preferred Securities then due and payable.

10. RANKING.

The Preferred Securities rank PARI PASSU and payment thereon shall be made Pro Rata with the Common Securities except that, where an Event of Default occurs and is continuing under the Indenture in respect of the Debentures held by the Property Trustee, the rights of Holders of the Common Securities to payment in respect of Distributions and payments upon liquidation, redemption and otherwise are subordinated to the rights to payment of the Holders of the Preferred Securities.

11. ACCEPTANCE OF SECURITIES GUARANTEES AND INDENTURE.

Each Holder of Preferred Securities and Common Securities, by the acceptance thereof, agrees to the provisions of the Preferred Securities Guarantee and the Common Securities Guarantee, respectively, including the subordination provisions therein and to the provisions of the Indenture which are incorporated by reference herein and which include, among other things, provisions relating to certain rights of the Holders of the Preferred Securities all as set forth therein.

12. NO PREEMPTIVE RIGHTS.

The Holders of the Securities shall have no preemptive rights to subscribe for any additional securities.

13. MISCELLANEOUS.

These terms constitute a part of the Declaration.

The Sponsor will provide a copy of the Declaration, the Preferred Securities Guarantee or the Common Securities Guarantee (as may be appropriate), and the Indenture to a Holder without charge on written request to the Sponsor at its principal place of business.

[FORM OF REVERSE OF SECURITY]

Distributions payable on each Preferred Security will be fixed at a rate per annum of \$2.00 for each Preferred Security (the "Coupon Rate"), such rate being the rate of interest payable on the Debentures to be held by the Property Trustee. Distributions in arrears for more than one quarter will bear interest thereon compounded quarterly at the Coupon Rate (to the extent permitted by applicable law). The term "Distributions" as used herein includes such quarterly distributions, additional distributions on quarterly distributions not paid on the applicable Distribution Date, Special Distributions and Additional Sums, as applicable. A Distribution is payable only to the extent that payments are made in respect of the Debentures held by the Property Trustee and to the extent the Property Trustee has funds available therefor. Except for the Distribution payable on March 15, 2000, the amount of Distributions payable for any period will be computed for any full quarterly Distribution period on the basis of a 360-day year of twelve 30-day months and for any period shorter than a full quarterly Distribution period for which Distributions are computed, Distributions will be computed on the basis of the actual number of days elapsed per 30-day month.

Except as otherwise described below, Distributions on the Preferred Securities will be cumulative, will accrue from the date of their original issuance and will be payable quarterly in arrears, on March 15, June 15, September 15 and December 15 of each year, commencing on March 15, 2000, to Holders of record at the close of business on the first day of the month next preceding the applicable payment date, which payment dates shall correspond to the interest payment dates (each an "Interest Payment Date") on the Debentures. The Debenture Issuer has the right under the Indenture to defer payments of interest after March 15, 2000, by extending the interest payment period from time to time on the Debentures for a period not exceeding 20 consecutive quarters (each a "Deferral Period") and, as a consequence of such deferral, Distributions will also be deferred. Despite such deferral, quarterly Distributions will continue to accrue with interest thereon (to the extent permitted by applicable law) at the Coupon Rate compounded quarterly during any such Deferral Period. Prior to the termination of any such Deferral Period, the Debenture Issuer may further extend such Deferral Period; PROVIDED that such Deferral Period together with all such previous and further deferrals thereof may not exceed 20 consecutive quarters or extend beyond the maturity (whether at the stated maturity or by declaration of acceleration, call for redemption or otherwise) of the Debentures under the Indenture. Payments of accrued Distributions will be payable on an Interest Payment Date elected by the Company to Holders as they appear on the books and records of the Trust on the record date fixed for such Interest Payment Date. Upon the termination of any Deferral Period and the payment of all amounts then due, the Debenture Issuer may commence a new Deferral Period, subject to the above requirements.

The Preferred Securities shall be redeemable as provided in the Declaration.

The Preferred Securities shall be convertible into shares of Parent Stock, through (i) the exchange of Preferred Securities for a portion of the Debentures and (ii) the immediate conversion of such Debentures into Parent Stock, in the manner and according to the terms set forth in the Declaration.

SECTION 1.02. COMPLIANCE CERTIFICATES AND OPINIONS. Upon any application or request by the Company to the Trustee to take any action under any provision of this Indenture, the Company shall furnish to the Trustee such certificates and opinions as may be required under the Trust Indenture Act or reasonably requested by the Trustee in connection with such application or request. Each such certificate or opinion shall be given in the form of an Officers' Certificate, if to be given by an officer of the Company, or an Opinion of Counsel, if to be given by counsel, and shall comply with the applicable requirements of the Trust Indenture Act and any other applicable requirement set forth in this Indenture.

Every certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture (other than the certificate required by Section 10.04) shall include:

(1) a statement that each individual signing such certificate or opinion has read such covenant or condition and the definitions herein relating thereto;

(2) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(3) a statement that, in the opinion of each such individual, he or she has made or caused to be made such examination or investigation as is necessary to enable him or her to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(4) a statement as to whether, in the opinion of each such individual, such condition or covenant has been complied with.

SECTION 1.03. FORM OF DOCUMENTS DELIVERED TO TRUSTEE. In any case where several matters are required to

be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an officer of the Company may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the Company stating that the information with respect to such factual matters is in the possession of the Company, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

SECTION 1.04. ACTS OF HOLDERS; RECORD DATES. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given to or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments is or are delivered to the Trustee and, where it is hereby expressly required, to the Company. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "ACT" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 6.01) conclusive in favor of the

Trustee and the Company, if made in the manner provided in this Section.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by a signer acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of his authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee or the Company, as the case may be, deems sufficient.

(c) The Company may, except in the circumstances set forth in clause (d) below, fix any day as the record date for the purpose of determining the Holders of Outstanding Securities entitled to give, make or take any request, demand, authorization, direction, notice, consent, waiver or other action, or to vote on any action, authorized or permitted to be given or taken by Holders. If not set by the Company prior to the first solicitation of a Holder made by any Person in respect of any such action, or, in the case of any such vote, prior to such vote, the record date for any such action or vote shall be the 30th day (or, if later, the date of the most recent list of Holders required to be provided pursuant to Section 7.01) prior to such first solicitation or vote, as the case may be. With regard to any record date, only the Holders on such date (or their duly designated proxies) shall be entitled to give or take, or vote on, the relevant action. Provided, that unless such consent shall have become effective by virtue of the requisite percentage having been obtained prior to the date which is 90 days after such record date, any such consent previously given shall automatically and without further action by any Holder be canceled and of no further effect.

(d) The Trustee may set any day as a record date for the purpose of determining the Holders of Outstanding Securities entitled to join in the giving or making of (i) any notice of default, (ii) any declaration of acceleration referred to in Section 5.02, (iii) any request to institute proceedings referred to in Section 5.07(2) or (iv) any direction referred to in Section 5.12. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities on such record date, and no other Holders, shall be entitled to join in such notice,

declaration, request or direction, whether or not such Holders remain Holders after such record date; PROVIDED that no such action shall be effective hereunder unless taken on or prior to the date set by the Trustee by which any such determination shall be made (the "Expiration Date") by Holders of the requisite principal amount of Outstanding Securities on such record date. Nothing in this paragraph shall be construed to prevent the Trustee from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be canceled and of no effect), and nothing in this paragraph shall be construed to render ineffective any action taken by Holders of the requisite principal amount of Outstanding Securities on the date such action is taken. Promptly after any record date is set pursuant to this paragraph, the Trustee, at the Company's expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Company in writing and to each Holder of Securities in the manner set forth in Section 1.06.

(e) The ownership of Securities shall be proved by the Security Register.

(f) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Security shall bind every future Holder of the same Security and the Holder of every Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, whether or not notation of such action is made upon such Security.

(g) Without limiting the foregoing, a Holder entitled hereunder to give or take any such action with regard to any particular Security may do so with regard to all or any part of the principal amount of such Security or by one or more duly appointed agents each of which who may do so pursuant to such appointment with regard to all or any different part of such principal amount.

SECTION 1.05. NOTICES, ETC., TO TRUSTEE AND THE COMPANY. Any request, demand, authorization, direction,

notice, consent, waiver or Act of Holders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with,

(1) the Trustee by any Holder or by the Company shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to:

Firststar Bank, National Association
Corporate Trust Services
425 Walnut Street
Sixth Floor
Cincinnati, Ohio 45202

Attention of: Corporate Trust Administration

(2) the Company by the Trustee or by any Holder shall be sufficient for every purpose hereunder (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to the Company addressed to:

SECTION 1.06. NOTICE TO HOLDERS; WAIVER. Where this Indenture provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Holder affected by such event, at such Holder's address as it appears in the Security Register, not later than the latest date (if any), and not earlier than the earliest date (if any), prescribed for the giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Any notice when mailed to a Holder in the aforesaid manner shall be conclusively deemed to have been received by such Holder whether or not actually received by such Holder. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing

shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case, by reason of the suspension of regular mail service or by reason of any other cause, it shall be impracticable to give such notice by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

SECTION 1.07. CONFLICT WITH TRUST INDENTURE ACT. If any provision hereof limits, qualifies or conflicts with a provision of the Trust Indenture Act that is required under such Act to be a part of and govern this Indenture, the latter provision shall control. If any provision of this Indenture modifies or excludes any provision of the Trust Indenture Act that may be so modified or excluded, the latter provision shall be deemed to apply to this Indenture as so modified or to be excluded, as the case may be.

SECTION 1.08. EFFECT OF HEADINGS AND TABLE OF CONTENTS. The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

SECTION 1.09. SUCCESSORS AND ASSIGNS. All covenants and agreements in this Indenture by the Company shall bind its successors and assigns, whether so expressed or not.

SECTION 1.10. SEPARABILITY CLAUSE. In case any provision in this Indenture or in the Securities shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 1.11. BENEFITS OF INDENTURE. Nothing in this Indenture or in the Securities, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the holders of Senior Debt, the holders of Preferred Securities (to the extent provided herein) and the Holders of Securities, any benefit or any legal or equitable right, remedy or claim under this Indenture.

SECTION 1.12. GOVERNING LAW; JURISDICTION. THIS INDENTURE AND THE SECURITIES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAWS. THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY CONSENT TO SUBMIT TO THE EXCLUSIVE JURISDICTION OF THE

COURTS OF THE STATE OF DELAWARE AND OF THE UNITED STATES DISTRICT COURTS LOCATED IN THE STATE OF DELAWARE FOR ANY LAWSUITS, CLAIMS OR OTHER PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT AND AGREE NOT TO COMMENCE ANY SUCH LAWSUIT, CLAIM OR OTHER PROCEEDING EXCEPT IN SUCH COURTS. THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY OBJECTION TO THE LAYING OF VENUE OF ANY LAWSUIT, CLAIM, OR OTHER PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT IN THE COURTS OF THE STATE OF DELAWARE OR THE UNITED STATES DISTRICT COURTS LOCATED IN THE STATE OF DELAWARE, AND HEREBY FURTHER IRREVOCABLY AND UNCONDITIONALLY WAIVE AND AGREE NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH LAWSUIT, CLAIM OR OTHER PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

SECTION 1.13. LEGAL HOLIDAYS. In any case where any Interest Payment Date, Redemption Date or Stated Maturity of any Security or the last date on which a Holder has the right to convert his Securities shall not be a Business Day, then (notwithstanding any other provision of this Indenture or of the Securities) payment of interest or principal or conversion of the Securities need not be made on such date, but may be made on the next succeeding Business Day (except that, with respect to any Redemption Date, if such Business Day is in the next succeeding calendar year, such Redemption Date shall be the immediately preceding Business Day) with the same force and effect as if made on the Interest Payment Date or Redemption Date, or at the Stated Maturity or on such last day for conversion, provided that no interest shall accrue for the period from and after such Interest Payment Date, Redemption Date or Stated Maturity, as the case may be.

ARTICLE II

SECTION 2.01. FORMS GENERALLY. The Securities and the Trustee's certificates of authentication shall be substantially in the form of Exhibit A which is hereby incorporated in and expressly made a part of this Indenture. The Securities may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Company is subject, if any, or usage (provided that any such notation, legend or endorsement is in a form acceptable to the Company). The Company shall furnish any such legend not contained in Exhibit A to the Trustee in writing. Each Security shall be dated the date of its authentication. The terms and provisions of the Securities set forth in

Exhibit A are part of the terms of this Indenture and to the extent applicable, the Company and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby.

The definitive Securities shall be typewritten or printed, lithographed or engraved or produced by any combination of these methods on steel engraved borders or may be produced in any other manner permitted by the rules of any securities exchange on which the Securities may be listed, all as determined by the officers executing such Securities, as evidenced by their execution of such Securities.

THIS SECURITY IS EXCHANGEABLE FOR SECURITIES REGISTERED IN THE NAME OF A PERSON OTHER THAN THE DEPOSITARY OR ITS NOMINEE ONLY IN THE LIMITED CIRCUMSTANCES DESCRIBED IN THE INDENTURE AND NO TRANSFER OF THIS SECURITY (OTHER THAN A TRANSFER OF THIS SECURITY AS A WHOLE BY THE DEPOSITARY TO A NOMINEE OF THE DEPOSITARY OR BY A NOMINEE OF THE DEPOSITARY TO THE DEPOSITARY OR ANOTHER NOMINEE OF THE DEPOSITARY) MAY BE REGISTERED EXCEPT IN LIMITED CIRCUMSTANCES.

UNLESS THIS SECURITY IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY (55 WATER STREET, NEW YORK, NEW YORK) TO CHEMED CORPORATION OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY SECURITY ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. ARTICLE III

The Securities

SECTION 3.01. TITLE AND TERMS. The aggregate principal amount of Securities that may be authenticated and delivered under this Indenture is limited to the sum of \$55,670,112 except for Securities authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Securities pursuant to Section 3.04, 3.05, 3.06, 3.07, 9.06, 11.08 or 13.02.

The Securities shall be known and designated as the "Convertible Junior Subordinated Debentures Due 2030" of the Company. Their Stated Maturity shall be March 15, 2030, and they shall bear interest equal to \$0.50 per each \$27 principal amount, during the period from issuance of the Securities to March 15, 2000, and they shall bear interest at the Applicable Rate, from March 15, 2000 or from the most recent Interest Payment Date (as defined below) to which interest has been paid or duly provided for, as the case may be, payable quarterly (subject to deferral as set forth herein), in arrears, on March 15, June 15, September 15 and December 15 (each an "Interest Payment Date") of each year, commencing March 15, 2000, until the principal thereof is paid or made available for payment, and interest payable on an Interest Payment Date shall be paid to the Person in whose name the Security is registered at the close of business on the regular record date for such interest installment, which shall be the close of business on the

first of the month in which the applicable Interest Payment Date occurs (the "Regular Record Date"). Interest will compound quarterly and will accrue at the Applicable Rate on any interest installment in arrears for more than one quarter or during an extension of an interest payment period as set forth in Section 3.13 hereof.

Except for the interest payable on March 15, 2000, the amount of interest payable for any period will be computed on the basis of a 360-day year of twelve 30-day months and except as provided in the following sentence, the amount of interest payable for any period shorter than a full quarterly period for which interest is computed, will be computed on the basis of the actual number of days elapsed in such a 30-day month. In the event that any date on which interest is payable on the Securities is not a Business Day, then payment of interest payable on such date will be made on the next succeeding day which is a Business Day (and without any interest or other payment in respect of any such delay), with the same force and effect as if made on such date.

If at any time (including upon the occurrence of a Tax Event) while the Property Trustee is the Holder of all the Securities, the Trust or the Property Trustee is required to pay any taxes, duties, assessments or governmental charges of whatever nature (other than withholding taxes) imposed by the United States, or any other taxing authority, then, in any case, the Company will pay as additional amounts ("Additional Sums") on the Securities held by the Property Trustee, such additional amounts as shall be required so that the net amounts received and retained by the Trust and the Property Trustee after paying such taxes, duties, assessments or other governmental charges will be equal to the amounts the Trust and the Property Trustee would have received had no such taxes, duties, assessments or other governmental charges been imposed.

The principal of and interest on the Securities shall be payable at the office or agency of the Company in New York, New York maintained for such purpose and at any other office or agency maintained by the Company for such purpose in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts; PROVIDED, HOWEVER, that at any time that the Property Trustee is not the sole holder of the Securities, payment of interest may, at the option of the Company, be made by check mailed to the address of the Person entitled thereto as such address shall appear in the Security Register or by wire transfer.

The Securities shall be redeemable as provided in Article XI hereof.

The Securities shall be subordinated in right of payment to Senior Debt as provided in Article XII hereof.

The Securities shall be convertible as provided in Article XIII hereof.

SECTION 3.02. DENOMINATIONS. The Securities shall be issuable only in registered form without coupons.

SECTION 3.03. EXECUTION, AUTHENTICATION, DELIVERY AND DATING. The Securities shall be executed on behalf of the Company by its Chairman of the Board, its Vice Chairman of the Board, its President or one of its Vice Presidents, under its corporate seal reproduced thereon attested by its Secretary or one of its Assistant Secretaries. The signature of any of these officers on the Securities may be manual or facsimile.

Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Securities; and the Trustee in accordance with such Company Order shall manually authenticate and make available for delivery such Securities as in this Indenture provided and not otherwise.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

SECTION 3.04. TEMPORARY SECURITIES. Pending the preparation of definitive Securities, the Company may execute, and upon Company Order the Trustee shall authenticate and make available for delivery, temporary

Securities which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities.

If temporary Securities are issued, the Company will cause definitive Securities to be prepared without unreasonable delay. After the preparation of definitive Securities, the temporary Securities shall be exchangeable for definitive Securities upon surrender of the temporary Securities at any office or agency of the Company designated pursuant to Section 10.02, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities, the Company shall execute and the Trustee shall authenticate and make available for delivery in exchange therefor a like principal amount of definitive Securities of authorized denominations. Until so exchanged the temporary Securities shall in all respects be entitled to the same benefits under this Indenture as definitive Securities.

SECTION 3.05. GLOBAL SECURITIES. (a) Each Global Security issued under this Indenture shall be registered in the name of the Depositary designated by the Company for such Global Security or a nominee thereof and delivered to such Depositary or a nominee thereof or custodian therefor, and each such Global Security shall constitute a single Security for all purposes of this Indenture.

(b) Notwithstanding any other provision in this Indenture, no Global Security may be exchanged in whole or in part for Securities registered, and no transfer of a Global Security in whole or in part may be registered, in the name of any Person other than the Depositary for such Global Security or a nominee thereof unless (i) such Depositary advises the Trustee in writing that such Depositary is no longer willing or able to continue as a Depositary with respect to such Global Security, and no successor depositary shall have been appointed, or if at any time the Depositary ceases to be a "clearing agency" registered under the Exchange Act, at a time when the Depositary is required to be so registered to act as such depositary, (ii) the Company in its sole discretion determines that such Global Security shall be so exchangeable or (iii) there shall have occurred and be continuing an Event of Default.

(c) If any Global Security is to be exchanged for other Securities or canceled in whole, it shall be surrendered by or on behalf of the Depositary or its nominee to the Security Registrar for exchange or cancellation as provided in this Article III. If any Global Security is to be exchanged for other Securities or canceled in part, or if another Security is to be exchanged in whole or in part for a beneficial interest in any Global Security, then either (i) such Global Security shall be so surrendered for exchange or cancellation as provided in this Article III or (ii) the principal amount thereof shall be reduced or increased by an amount equal to the portion thereof to be so exchanged or canceled, or equal to the principal amount of such other Security to be so exchanged for a beneficial interest therein, as the case may be, by means of an appropriate adjustment made on the records of the Security Registrar, whereupon the Trustee shall instruct the Depositary or its authorized representative to make a corresponding adjustment to its records. Upon any such surrender or adjustment of a Global Security by the Depositary, accompanied by registration instructions, the Trustee shall, subject to Section 3.05(b) and as otherwise provided in this Article III, authenticate and make available for delivery any Securities issuable in exchange for such Global Security (or any portion thereof) in accordance with the instructions of the Depositary. The Trustee shall not be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be fully protected in relying on, such instructions.

(d) The Depositary or its nominee, as registered owner of a Global Security, shall be the Holder of such Global Security for all purposes under this Indenture and the Securities, and owners of beneficial interests in a Global Security shall hold such interest pursuant to the rules and procedures of the Depositary. Accordingly, any such owner's beneficial interests in a Global Security shall be shown only on, and the transfer of such interest shall be effected only through, records maintained by the Depositary or its nominee or its Agent Members. Neither the Trustee nor the Security Registrar shall have any liability in respect of any transfers effected by the Depositary.

(e) The rights of the beneficial interests in a Global Security shall be exercised only through the Depositary and shall be limited to those established by law and agreements between such owners and the Depositary and/or its Agent Members.

SECTION 3.06. REGISTRATION, TRANSFER AND EXCHANGE GENERALLY;
CERTAIN TRANSFERS AND EXCHANGES. (a) The

Company shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office and in any other office or agency designated pursuant to Section 10.02 being herein sometimes collectively referred to as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Securities and of transfers of Securities. The Trustee is hereby appointed "Security Registrar" for the purpose of registering Securities and transfers of Securities as herein provided.

Upon surrender for registration of transfer of any Security at an office or agency of the Company designated pursuant to Section 10.02 for such purpose, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of any authorized denominations and of a like aggregate principal amount and bearing such restrictive legends as may be required by this Indenture.

At the option of the Holder, Securities may be exchanged for other Securities of any authorized denominations and of a like aggregate principal amount and bearing such restrictive legends as may be required by this Indenture, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and make available for delivery, the Securities which the Holder making the exchange is entitled to receive.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in

connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 3.04, 3.05, 9.06, 11.09 or 13.01 not involving any transfer.

Neither the Company nor the Trustee shall be required (i) in the case of a partial redemption of the Securities, to issue, register the transfer of or exchange any Security during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Securities selected for redemption under Section 11.04 and ending at the close of business on the day of such mailing or (ii) to register the transfer of or exchange any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

SECTION 3.07. MUTILATED, DESTROYED, LOST AND STOLEN SECURITIES. If any mutilated Security is surrendered to the Trustee, the Company shall execute and the Trustee shall authenticate and make available for delivery in exchange therefor a new Security of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall execute and the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of like tenor and principal amount and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of

the Company, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 3.08. PAYMENT OF INTEREST; INTEREST RIGHTS PRESERVED. Interest on any Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date.

Any interest on any Security which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date (as defined below) for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a special record date (the "Special Record Date") for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice

of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following clause (2).

(2) The Company may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities may be listed, and, if so listed, upon such notice as may be required by such exchange (or by the Trustee if the Securities are not listed), if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee provided that any such payment will be made in coin or currency of the United States of America which at the time of payment is a legal tender for payment of public and private debt.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue (including in each such case Compounded Interest), which were carried by such other Security.

In the case of any Security which is converted after any Regular Record Date and on or prior to the next succeeding Interest Payment Date (other than any Security whose Maturity is prior to such Interest Payment Date), interest whose Stated Maturity is on such Interest Payment Date shall be payable on such Interest Payment Date notwithstanding such conversion, and such interest (whether or not punctually paid or duly provided for) shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on such Regular Record Date. Except as otherwise expressly provided in the immediately preceding sentence, in

the case of any Security that is converted prior to any Regular Record Date, interest whose Stated Maturity is after the date of conversion of such Security shall not be payable, and the Company shall not make nor be required to make any other payment, adjustment or allowance with respect to accrued but unpaid interest (including Additional Payments) on the Securities being converted, which shall be deemed to be paid in full.

SECTION 3.09. PERSONS DEEMED OWNERS. The Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name any Security is registered as the owner of such Security for the purpose of receiving payment of principal of and (subject to Section 3.08) interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary. No holder of any beneficial interest in any Global Security held on its behalf by a Depositary shall have any rights under this Indenture with respect to such Global Security, and such Depositary may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the owner of such Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company or the Trustee from giving effect to any written certification, proxy, or other authorization furnished by a Depositary or impair, as between the Depositary and such holders of beneficial interests, the operation of customary practices governing the exercise of the rights of the Depositary (or its nominee) as Holder of any Security.

SECTION 3.10. CANCELTION. All Securities surrendered for payment, redemption, registration of transfer or exchange or conversion shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be promptly canceled by it. The Company may at any time deliver to the Trustee for cancelation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and all Securities so delivered shall be promptly canceled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities canceled as provided in this Section, except as expressly permitted by this Indenture. All canceled Securities held by the Trustee shall be disposed of as directed by a Company Order; PROVIDED, HOWEVER, that the Trustee shall not be required to destroy the certificates representing such canceled Securities.

SECTION 3.11. RIGHT OF SET OFF. Notwithstanding anything to the contrary in this Indenture, the Company shall have the right to set off any payment it is otherwise required to make hereunder to the extent the Company has theretofore made, or is concurrently on the date of such payment making, a payment under the Guarantee.

SECTION 3.12. CUSIP NUMBERS. The Company in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; PROVIDED, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers.

SECTION 3.13. EXTENSION OF INTEREST PAYMENT PERIOD; NOTICE OF EXTENSION. (a) So long as no Event of Default has occurred and is continuing, the Company shall have the right, after March 15, 2000, at any time during the term of this Security, from time to time to defer payments of interest by extending for successive periods not exceeding 20 consecutive quarters for each such period (a "Deferral Period"); PROVIDED that no Deferral Period may extend beyond March 15, 2030. To the extent permitted by applicable law, interest, the payment of which has been deferred because of the extension of the interest payment period pursuant to this Section 3.13, will bear interest thereon at the Applicable Rate compounded quarterly for each quarter of the Deferral Period ("Compounded Interest"). On the applicable Payment Resumption Date, the Company shall pay all interest then accrued and unpaid on the Securities, including any Compounded Interest that shall be payable to the Holders of the Securities in whose names the Securities are registered in the Security Register on the Regular Record Date fixed for such Payment Resumption Date. A Deferral Period shall terminate upon the payment by the Company of all interest then accrued and unpaid on the Securities (together with interest thereon accrued at an annual rate equal to the Applicable Rate, compounded quarterly, to the extent permitted by applicable law). Before the termination of any Deferral Period, the Company may further extend such period as provided in paragraph (b) of this Section 3.13, PROVIDED that such period together with all such further extensions thereof shall not exceed 20 consecutive quarters or extend beyond the Stated Maturity of the Securities. Upon the termination of any Deferral Period, and subject to the foregoing requirements, the

Company may elect to begin a new Deferral Period. No interest shall be due and payable during a Deferral Period except on the Payment Resumption Date as determined pursuant to paragraph (b) of this Section 3.13. There is no limitation on the number of times that the Company may elect to begin a Deferral Period.

(b) The Company shall give the Holder of the Security and the Trustee written notice (a "Deferral Notice") of its selection of a Deferral Period at least ten days prior to the record date for any distributions that would have been payable on the Trust Securities except for the decision to begin or extend a Deferral Period. On or prior to the Regular Record Date immediately preceding the Interest Payment Date on which the Company elects to pay all interest then accrued and unpaid on the Securities, including Compound Interest, (the "Payment Resumption Date") the Company shall give the Holder of the Security and the Trustee written notice that the Deferral Period will end on such Payment Resumption Date. Notwithstanding the provision of such notice, the Company may elect to further extend the Deferral Period, subject to the limitations set forth in Section 3.13(a), by providing the Holder of the Security and the Trustee with a new Deferral Notice not less than three Business Days prior to the Regular Record Date immediately preceding the previously scheduled Payment Resumption Date. The Company may elect to pay all interest then accrued and unpaid on the Securities, including Compound Interest, on an Interest Payment Date prior to its most recently established Payment Resumption Date PROVIDED that the Company gives the Holder of the Security and the Trustee a new Deferral Notice setting forth the revised Payment Resumption Date at least three Business Days prior to the Regular Record Date for such revised Payment Resumption Date.

(c) The quarter in which any Deferral Notice is given pursuant to paragraph (b) hereof shall be counted as one of the 20 quarters permitted in the maximum Deferral Period permitted under paragraph (a) hereof.

SECTION 3.14. PAYING AGENT, SECURITY REGISTRAR AND CONVERSION AGENT. The Trustee will initially act as Paying Agent, Security Registrar and Conversion Agent. The Company may change any Paying Agent, Security Registrar, co-registrar or Conversion Agent without prior notice. The Company or any of its Affiliates may act in any such capacity.

ARTICLE IV

Satisfaction and Discharge

SECTION 4.01. SATISFACTION AND DISCHARGE OF INDENTURE. This Indenture shall cease to be of further effect (except as to any surviving rights of conversion, registration of transfer or exchange of Securities herein expressly provided for), and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when

(1) either

(A) all Securities theretofore authenticated and delivered (other than (i) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06 and (ii) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 10.03) have been delivered to the Trustee for cancellation; or

(B) all such Securities not theretofore delivered to the Trustee for cancellation

(i) have become due and payable, or

(ii) will become due and payable at their Stated Maturity within one year, or

(iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company

and the Company, in the case of (i), (ii) or (iii) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose an amount sufficient to pay and discharge the entire indebtedness on such Securities not theretofore delivered to the Trustee for cancellation, for principal and interest (including Compounded Interest) to the date of such deposit (in the case of Securities which have become due and payable) or to the

Stated Maturity or Redemption Date, as the case may be;

(2) the Company has paid or caused to be paid all other sums payable hereunder by the Company; and

(3) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 6.07 and, if money shall have been deposited with the Trustee pursuant to subclause (B) of clause (1) of this Section, the obligations of the Trustee under Section 4.02 and the last paragraph of Section 10.03 shall survive.

SECTION 4.02. APPLICATION OF TRUST MONEY. Subject to the provisions of the last paragraph of Section 10.03, all money deposited with the Trustee pursuant to Section 4.01 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal and interest for whose payment such money has been deposited with the Trustee. All moneys deposited with the Trustee pursuant to Section 4.01 (and held by it or any Paying Agent) for the payment of Securities subsequently converted shall be returned to the Company upon Company Request.

ARTICLE V

Remedies

SECTION 5.01. EVENTS OF DEFAULT. "Event of Default," wherever used herein, means any one of the following events that has occurred and is continuing (whatever the reason for such Event of Default and whether it shall be occasioned by the provisions of Article XI or be voluntary or involuntary or be effected by operation of law

or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(1) default in the payment of any interest upon any Security, including any Additional Payments, when it becomes due and payable, and continuance of such default for a period of 30 days (subject to the deferral of any due date in the case of a Deferral Period); or

(2) default in the payment of the principal of any Security when due, whether at its Maturity, upon redemption, by declaration of acceleration or otherwise; or

(3) default in the observation or performance, in any material respect, of any covenant of the Company in this Indenture (other than a covenant a default in the performance of which or the breach of which is elsewhere in this Section specifically dealt with), and continuance of such default for a period of 90 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate outstanding principal amount of the Securities a written notice specifying such default and requiring it to be remedied; or

(4) failure by the Company to issue and deliver Capital Stock upon an election to convert the Securities into Capital Stock; or

(5) the entry or a decree or order by a court having jurisdiction in the premises adjudging the Company as bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law, or appointing a receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the Company or of any substantial part of its property or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 60 consecutive days; or

(6) the institution by the Company of proceedings to be adjudicated a bankrupt or insolvent, or the consent by it to the institution of bankruptcy or

insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the Company or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due and its willingness to be adjudicated a bankrupt, or the taking of corporate action by the Company in furtherance of any such action; or

(7) the voluntary or involuntary dissolution, winding up or termination of the Trust, except in connection with (i) the distribution of Securities to holders of Preferred Securities in liquidation or redemption of their interests in the Trust, (ii) the redemption of all of the outstanding Preferred Securities of the Trust or (iii) certain mergers, consolidations or amalgamations, each as permitted by the Declaration.

SECTION 5.02. ACCELERATION OF MATURITY; RESCISSION AND ANNULMENT. If an Event of Default occurs and is continuing, then and in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities may declare the principal of all the Outstanding Securities and any other amounts payable hereunder (including any Additional Payments) to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders); PROVIDED that, if the Property Trustee is the sole Holder of the Securities and if upon an Event of Default, the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities fail to declare the principal of all the Securities to be immediately due and payable, the holders of at least 25% in aggregate liquidation amount of Preferred Securities then outstanding shall have such right by a notice in writing to the Company and the Trustee; and upon any such declaration such principal and all accrued interest shall become immediately due and payable. Upon any such declaration such principal amount (or specified amount) of and the accrued interest (including any Additional Payments) on all the Securities of such series shall then become immediately due and payable; PROVIDED that the payment of principal and interest on such Securities (including

Additional Payments) shall remain subordinated to the extent provided in Article XII.

At any time after such a declaration of acceleration has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as provided in this Article hereinafter, the Holders of a majority in aggregate principal amount of the Outstanding Securities, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if

(1) the Company has paid or deposited with the Trustee a sum sufficient to pay

(A) all overdue interest (including any Compounded Interest) on all Securities,

(B) the principal of any Securities which have become due otherwise than by such declaration of acceleration and interest thereon at the rate borne by the Securities, and

(C) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel;

and

(2) all Events of Default, other than the non- payment of the principal of Securities which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 5.13.

The Company is required to file annually with the Trustee a certificate as to whether or not the Company is in compliance with all the conditions and covenants applicable to it under this Indenture.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

SECTION 5.03. COLLECTION OF INDEBTEDNESS AND SUITS FOR ENFORCEMENT BY TRUSTEE. The Company covenants that if

(1) default is made in the payment of any interest (including any Compounded Interest) on any Security when such interest becomes due and payable and such default continues for a period of 30 days, or

(2) default is made in the payment of the principal of any Security at the Stated Maturity thereof,

the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal and interest (including any Additional Payments) and, to the extent that payment thereof shall be legally enforceable, interest on any overdue principal and on any overdue interest (including any Additional Sums), at the rate borne by the Securities, and, in addition thereto, all amounts owing to the Trustee under Section 6.07.

If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 5.04. TRUSTEE MAY FILE PROOFS OF CLAIM. In case of any judicial proceeding relative to the Company (or any other obligor upon the Securities), its property or its creditors, the Trustee shall be entitled and empowered, by intervention in such proceeding or otherwise, to take any and all actions authorized under the Trust Indenture Act in order to have claims of the Holders and the Trustee allowed in any such proceeding. In particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it and any predecessor Trustee under Section 6.07.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 5.05. TRUSTEE MAY ENFORCE CLAIMS WITHOUT POSSESSION OF SECURITIES. All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of all the amounts owing to the Trustee and any predecessor Trustee under Section 6.07, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

SECTION 5.06. APPLICATION OF MONEY COLLECTED. Subject to Article XII, any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or interest (including any Additional Payments), upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee and any predecessor Trustee under Section 6.07;

SECOND: To the payment of the amounts then due and unpaid for principal of and interest (including any Additional Payments) on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal and interest (including any Compounded Interest), respectively; and

THIRD: The balance, if any, to the Company.

SECTION 5.07. LIMITATION ON SUITS. Subject to Section 5.08, no Holder of any Security shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

(1) such Holder has previously given written notice to the Trustee of a continuing Event of Default;

(2) the Holders of not less than 25% in aggregate principal amount of the Outstanding Securities shall have made written request to the Trustee to institute

proceedings in respect of such Event of Default, in its own name as Trustee hereunder;

(3) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

(5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities;

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders, or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all Holders.

SECTION 5.08. UNCONDITIONAL RIGHT OF HOLDERS TO RECEIVE PRINCIPAL AND INTEREST AND TO CONVERT. Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of and (subject to Section 3.08) interest (including any Additional Payments) on such Security on the respective Stated Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and to convert such Security in accordance with Article XIII and to institute suit for the enforcement of any such payment and right to convert, and such rights shall not be impaired without the consent of such Holder. If the Property Trustee is the sole Holder of the Securities, any holder of the Preferred Securities shall have the right to institute suit on behalf of the Trust for the enforcement of any such payment and right to convert.

SECTION 5.09. RESTORATION OF RIGHTS AND REMEDIES. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee

and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 5.10. RIGHTS AND REMEDIES CUMULATIVE. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 3.07, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 5.11. DELAY OR OMISSION NOT WAIVER. No delay or omission of the Trustee or of any Holder of any Security to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 5.12. CONTROL BY HOLDERS. The Holders of a majority in principal amount of the Outstanding Securities shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee; PROVIDED, that

(1) such direction shall not be in conflict with any rule of law or with this Indenture; and

(2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

SECTION 5.13. WAIVER OF PAST DEFAULTS. Subject to Section 9.02 hereof, the Holders of not less than a majority in principal amount of the Outstanding Securities may on behalf of the Holders of all the Securities waive any

past default hereunder and its consequences, except a default

(1) in the payment of the principal of, premium, if any, or interest (including any Additional Payments) on any Security (unless such default has been cured and a sum sufficient to pay all matured installments of interest and principal due otherwise than by acceleration has been deposited with the Trustee); or

(2) in respect of a covenant or provision hereof which under Article IX cannot be modified or amended without the consent of the Holder of each Outstanding Security affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

SECTION 5.14. UNDERTAKING FOR COSTS. In any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, a court may require any party litigant in such suit to file an undertaking to pay the costs of such suit, and may assess costs against any such party litigant, in the manner and to the extent provided in the Trust Indenture Act; PROVIDED, that neither this Section nor the Trust Indenture Act shall be deemed to authorize any court to require such an undertaking or to make such an assessment in any suit instituted by the Company or the Trustee or in any suit for the enforcement of the right to receive the principal of and interest (including any Additional Payments) on any Security or to convert any Security in accordance with Article XIII.

SECTION 5.15. WAIVER OF STAY OR EXTENSION LAWS. The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 5.16. ENFORCEMENT BY HOLDERS OF PREFERRED SECURITIES.

Notwithstanding anything to the contrary contained herein, if an Event of Default has occurred and is continuing and such event is attributable to the failure of the Company to pay interest or principal on the Securities on the date such interest or principal is otherwise payable, the Company acknowledges that, in such event, a holder of Preferred Securities may institute a legal proceeding directly for enforcement of payment to such Holder of the principal of or interest on the Debentures having a principal amount equal to the aggregate liquidation amount of the Preferred Securities of such Holder (a "DIRECT ACTION") on or after the respective due date specified in the Securities. The Company may not amend this Indenture to remove the foregoing right to bring a Direct Action without the prior written consent of all the holders of Preferred Securities. Notwithstanding any payment made to such holder of Preferred Securities by the Company in connection with a Direct Action, the Company shall remain obligated to pay the principal of and interest on the Securities (including Additional Payments, if any) held by the Trust or the Property Trustee and the Company shall be subrogated to the rights of the holder of such Preferred Securities with respect to payments on the Preferred Securities to the extent of any payments made by the Company to such holder in any Direct Action. The holders of Preferred Securities will not be able to exercise directly any other remedy available to the Holders of the Securities.

ARTICLE VI

The Trustee

SECTION 6.01. CERTAIN DUTIES AND RESPONSIBILITIES. (a) Except during the continuance of an Event of Default, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee.

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.

(c) Notwithstanding the foregoing, (i) the duties and responsibilities of the Trustee shall be as provided by the Trust Indenture Act and (ii) no provision of this

Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 6.02. NOTICE OF DEFAULTS. The Trustee shall give the Holders notice of any default hereunder as and to the extent provided by the Trust Indenture Act; PROVIDED, HOWEVER, that in the case of any default of the character specified in Section 5.01(3), no such notice to Holders shall be given until at least 30 days after the occurrence thereof. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default.

SECTION 6.03. CERTAIN RIGHTS OF TRUSTEE. Subject to the provisions of Section 6.01:

(a) the Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate;

(d) the Trustee may consult with counsel of its choice and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and

protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to reasonable examination of the books, records and premises of the Company, personally or by agent or attorney;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder; and

(h) the Trustee shall not be liable for any action taken, suffered, or omitted to be taken by it in good faith, without negligence or willful misconduct, and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture.

SECTION 6.04. NOT RESPONSIBLE FOR RECITALS OR ISSUANCE OF SECURITIES. The recitals contained herein and in the Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. The Trustee shall not be accountable for the use or application by the Company of the Securities or the proceeds thereof.

SECTION 6.05. MAY HOLD SECURITIES. The Trustee, any Paying Agent, any Security Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 6.08 and 6.13, may otherwise deal with the Company with the same rights it would have if it were not Trustee, Paying Agent, Security Registrar, or such other agent.

SECTION 6.06. MONEY HELD IN TRUST. Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Company.

SECTION 6.07. COMPENSATION AND REIMBURSEMENT. The Company agrees:

(1) to pay to the Trustee from time to time such reasonable compensation as the Company and the Trustee shall from time to time agree in writing for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, fees, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith; and

(3) to indemnify the Trustee and any predecessor Trustee for, and to hold it harmless against, any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

SECTION 6.08. DISQUALIFICATION; CONFLICTING INTERESTS. If the Trustee has or shall acquire a conflicting interest within the meaning of the Trust Indenture Act, the Trustee shall either eliminate such interest or resign, to the extent and in the manner provided

by, and subject to the provisions of, the Trust Indenture Act and this Indenture.

SECTION 6.09. CORPORATE TRUSTEE REQUIRED; ELIGIBILITY. There shall at all times be a Trustee hereunder which shall be a Person that is eligible pursuant to the Trust Indenture Act to act as such and has a combined capital and surplus of at least \$50,000,000 and has its Corporate Trust Office in Cincinnati, Ohio. If such Person publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. Neither the Company nor any Person directly or indirectly controlling, controlled by or under common control with the Company shall serve as Trustee hereunder. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

SECTION 6.10. RESIGNATION AND REMOVAL; APPOINTMENT OF SUCCESSOR. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee under Section 6.11.

(b) The Trustee may resign at any time by giving written notice thereof to the Company. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed at any time by Act of the Holders of a majority in principal amount of the Outstanding Securities, delivered to the Trustee and to the Company.

(d) If at any time:

(1) the Trustee shall fail to comply with Section 6.08 after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Security for at least six months; or

(2) the Trustee shall cease to be eligible under Section 6.09 and shall fail to resign after written request therefor by the Company or by any such Holder; or

(3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case, (i) the Company may remove the Trustee, or (ii) subject to Section 5.14, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, the Company, by a Board Resolution, shall promptly appoint a successor Trustee. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede the successor Trustee appointed by the Company. If no successor Trustee shall have been so appointed by the Company or the Holders and accepted appointment in the manner hereinafter provided, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Company shall give written notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to all Holders in the manner provided in Section 1.06. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

SECTION 6.11. ACCEPTANCE OF APPOINTMENT BY SUCCESSOR. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Company and to

the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; PROVIDED, that on request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Company shall execute any and all instruments required to more fully and certainly vest in and confirm to such successor Trustee all such rights, powers and trusts.

No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

SECTION 6.12. MERGER, CONVERSION, CONSOLIDATION OR SUCCESSION TO BUSINESS. Any Person into which the Trustee may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any Person succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder; PROVIDED such Person shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

SECTION 6.13. PREFERENTIAL COLLECTION OF CLAIMS AGAINST COMPANY. If and when the Trustee shall be or become a creditor of the Company (or any other obligor upon the Securities), the Trustee shall be subject to the provisions of the Trust Indenture Act regarding the collection of claims against the Company (or any such other obligor).

ARTICLE VII

SECTION 7.01. COMPANY TO FURNISH TRUSTEE NAMES AND ADDRESSES OF HOLDERS. The Company will furnish or cause to be furnished to the Trustee

(a) semiannually, not later than January 15 and July 15 in each year, a list, in such form as the Trustee may reasonably require, of the names and addresses of the Holders as of a date not more than 15 days prior to the delivery thereof; and

(b) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Company of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished;

EXCLUDING from any such list names and addresses received by the Trustee in its capacity as Security Registrar.

SECTION 7.02. PRESERVATION OF INFORMATION; COMMUNICATIONS TO HOLDERS. (a) The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders contained in the most recent list furnished to the Trustee as provided in Section 7.01 and the names and addresses of Holders received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 7.01 upon receipt of a new list so furnished.

(b) The rights of Holders to communicate with other Holders with respect to their rights under this Indenture or under the Securities, and the corresponding rights and duties of the Trustee, shall be as provided by the Trust Indenture Act.

(c) Every Holder of Securities, by receiving and holding the same, agrees with the Company and the Trustee that neither the Company nor the Trustee nor any agent of either of them shall be held accountable by reason of any disclosure of information as to names and addresses of Holders made pursuant to the Trust Indenture Act.

SECTION 7.03. REPORTS BY TRUSTEE. (a) Within 60 days after March 15 of each year, commencing March 15, 2000, the Trustee shall transmit by first-class mail to Holders such reports concerning the Trustee and its actions under this Indenture as may be required by Section 313(a) of

the Trust Indenture Act in the manner provided pursuant thereto. The Trustee shall also comply with the other requirements of Section 313 of the Trust Indenture Act.

(b) A copy of each such report shall, at the time of such transmission to Holders, be filed by the Trustee with each stock exchange upon which the Securities are listed, with the Commission and with the Company. The Company will notify the Trustee when the Securities are listed on any stock exchange.

SECTION 7.04. REPORTS BY COMPANY. The Company shall file with the Trustee and the Commission, and transmit to Holders, such information, documents and other reports, and such summaries thereof, as may be required pursuant to the Trust Indenture Act at the times and in the manner provided pursuant to such Act; PROVIDED, that any such information, documents or reports required to be filed with the Commission pursuant to Section 13 or 15(d) of the Exchange Act shall be filed with the Trustee within 15 days after the same is so required to be filed with the Commission.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

SECTION 7.05. TAX REPORTING. The Company shall provide to the Trustee on a timely basis such information as the Trustee requires to enable the Trustee to prepare and file any form required to be submitted by the Company with the Internal Revenue Service and the Holders relating to original issue discount, including, without limitation, Form 1099-01D or any successor form.

ARTICLE VIII

Consolidation, Merger, Conveyance, Transfer or Lease

SECTION 8.01. COMPANY MAY CONSOLIDATE, ETC., ONLY ON CERTAIN TERMS. The Company shall not consolidate with or merge with or into any other Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, and no Person shall consolidate with or merge with or into the Company or convey, transfer

or lease its properties and assets substantially as an entirety to the Company, unless:

(1) in case the Company shall consolidate with or merge with or into another Person or convey, transfer or lease all or substantially all of its properties and assets on a consolidated basis to any Person, the Person formed by such consolidation or into which the Company is merged or the Person which acquires by conveyance, transfer or lease, all or substantially all of the properties and assets of the Company on a consolidated basis shall be a corporation, limited liability company, partnership or trust, shall be organized and validly existing under the laws of the United States of America, any State thereof or the District of Columbia and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, the due and punctual payment of the principal of and interest (including any Additional Payments) on all the Securities and the performance or observance of every covenant of this Indenture on the part of the Company to be performed or observed and shall have provided for conversion rights in accordance with Article XIII;

(2) immediately after giving effect to such transaction and treating any indebtedness which becomes an obligation of the Company or a Subsidiary as a result of such transaction as having been incurred by the Company or such Subsidiary at the time of such transaction, no Event of Default, and no event which, after notice or lapse of time or both, would become an Event of Default, shall have happened and be continuing;

(3) if at the time any Preferred Securities are outstanding, such consolidation or merger or conveyance, transfer or lease of assets of the Company is permitted under, and does not give rise to any breach or violation of, the Declaration or the Guarantee; and

(4) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture, comply with this Article and that all conditions precedent herein provided for relating to such transaction have been complied with.

SECTION 8.02. SUCCESSOR SUBSTITUTED. ARTICLE IX

Supplemental Indentures

SECTION 9.01. SUPPLEMENTAL INDENTURES WITHOUT CONSENT OF HOLDERS. Without the consent of any Holders, the Company, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes:

- (1) to evidence the succession of another Person to the Company and the assumption by any such successor of the covenants of the Company herein and in the Securities; or
- (2) to add to the covenants of the Company for the benefit of the Holders, or to surrender any right or power herein conferred upon the Company; or
- (3) to make provision with respect to the conversion rights of Holders pursuant to the requirements of Article XIII; or
- (4) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising under this Indenture which shall not be inconsistent with the provisions of this Indenture; PROVIDED, that such action pursuant to this clause (4) shall not adversely affect the interests of the Holders of the Securities or, so long as any of the Preferred

Securities shall remain outstanding, the holders of the Preferred Securities; or

(5) to comply with the requirements of the Commission in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act.

SECTION 9.02. SUPPLEMENTAL INDENTURES WITH CONSENT OF HOLDERS.

With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities, by Act of said Holders delivered to the Company and the Trustee, the Company, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders under this Indenture; PROVIDED, HOWEVER, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security affected thereby,

(1) extend the Stated Maturity of the principal of, or any installment of interest (including any Additional Payments) on, any Security, or reduce the principal amount thereof, or reduce the rate or extend the time for payment of interest thereon, or reduce any premium payable upon the redemption thereof, or change the place of payment where, or the coin or currency in which, any Security or interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date), or adversely affect the right to convert any Security as provided in Article XIII (except as permitted by Section 9.01(3)), or modify the provisions of this Indenture with respect to the subordination of the Securities in a manner adverse to the Holders,

(2) reduce the percentage in principal amount of the Outstanding Securities, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences provided for in this Indenture, or

(3) modify any of the provisions of this Section or Section 5.13, except to increase any such percentage or to provide that certain other provisions of this

Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby.

Notwithstanding anything to the contrary in this Indenture or the Declaration, if the Property Trustee is the sole holder of the Securities, so long as any of the Preferred Securities remains outstanding, no amendment shall be made that adversely affects the holders of such Preferred Securities, and no termination of this Indenture shall occur, and no waiver of any Event of Default or compliance with any covenant under this Indenture shall be effective, without the prior consent of the holders of the percentage of the aggregate liquidation amount of such Preferred Securities then outstanding which is at least equal to the percentage of aggregate stated liquidation amount of the Outstanding Securities as shall be required under this Indenture to effect any such amendment, termination or waiver.

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

SECTION 9.03. EXECUTION OF SUPPLEMENTAL INDENTURES. In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 6.01) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

SECTION 9.04. EFFECT OF SUPPLEMENTAL INDENTURES. Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby. No such supplemental indenture shall directly or indirectly modify the provisions of Article XII in any manner which might terminate or impair the rights of the Senior Debt pursuant to such subordination provisions.

SECTION 9.05. CONFORMITY WITH TRUST INDENTURE ACT. Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act.

SECTION 9.06. REFERENCE IN SECURITIES TO SUPPLEMENTAL INDENTURES. Securities authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities so modified as to conform, in the opinion of the Trustee and the Company, to any such supplemental indenture, may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Securities.

ARTICLE X

Covenants; Representations and Warranties

SECTION 10.01. PAYMENT OF PRINCIPAL AND INTEREST. The Company will duly and punctually pay the principal of and interest on the Securities in accordance with the terms of the Securities and this Indenture.

SECTION 10.02. MAINTENANCE OF OFFICE OR AGENCY. The Company will maintain in the United States an office or agency where Securities may be presented or surrendered for payment, where Securities may be surrendered for registration of transfer, exchange or conversion, and where notices and demands to or upon the Company in respect of the Securities and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Company may also from time to time designate one or more other offices or agencies (in the United States) where the Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; PROVIDED, HOWEVER, that no such designation or rescission shall in any manner relieve the Company of its

obligation to maintain an office or agency in the United States for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

SECTION 10.03. MONEY FOR SECURITY PAYMENTS TO BE HELD IN TRUST. If the Company shall at any time act as its own Paying Agent, it will, on or before each due date of the principal of or interest on any of the Securities, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents, it will, prior to each due date of the principal of or interest on any Securities, deposit with a Paying Agent a sum sufficient to pay the principal or interest so becoming due, such sum to be held as provided by the Trust Indenture Act, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure to so act.

The Company will cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will (i) comply with the provisions of the Trust Indenture Act applicable to it as a Paying Agent and (ii) during the continuance of any default by the Company (or any other obligor upon the Securities) in the making of any payment in respect of the Securities, upon the written request of the Trustee, forthwith pay to the Trustee all sums held in trust by such Paying Agent as such.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment

of the principal of or interest on any Security and remaining unclaimed for two years after such principal or interest has become due and payable, shall be paid to the Company on Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of any such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

SECTION 10.04. STATEMENT BY OFFICERS AS TO DEFAULT. The Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company ending after the date hereof, an Officers' Certificate, stating whether or not to the best knowledge of the signers thereof the Company is in default in the performance and observance of any of the terms, provisions, covenants and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Company shall be in default, specifying all such defaults and the nature and status thereof of which they may have knowledge.

SECTION 10.05. LIMITATION ON DIVIDENDS; TRANSACTIONS WITH AFFILIATES; COVENANTS AS TO THE TRUST. (a) If at such time (x) there shall have occurred an Event of Default, (y) the Company shall be in default with respect to its payment of any obligations under the Guarantee or (z) the Company shall have given notice of its election to begin a Deferral Period as provided herein and shall not have rescinded such notice, or such Deferral Period shall be continuing, the Company covenants that the Company shall not (i) declare or pay any dividends or distributions on, or redeem, purchase, acquire or make a liquidation payment with respect to, any of the Company's capital stock (which includes common and preferred stock) other than stock dividends which consist of stock of the same class as that on which the dividends are being paid, (ii) make any payment of principal, interest or premium, on or repay or repurchase or redeem any debt securities of the Company that rank PARI PASSU with or junior in interest to the Securities or (iii) make any guarantee payments with respect to any guarantee by the Company of the debt securities of any subsidiary of the Company if such guarantee ranks PARI PASSU with or junior in interest to the Securities (in each case, other than (A) dividends or distributions in Capital Stock, (B) any declaration of a dividend in connection with the implementation of a stockholders' rights plan, or the issuance of stock under any such plan in the future, or the redemption or repurchase of any such rights pursuant

thereto, (C) payments under the Guarantee, (D) purchases or acquisitions of shares of the Capital Stock in connection with the satisfaction by the Company of its obligations under any employee benefit plan or any other contractual obligation of the Company (other than a contractual obligation ranking PARI PASSU with or junior in interest to the Securities), (E) as a result of a reclassification of the Company's capital stock or the exchange or conversion of one class or series of the Company's capital stock for another class or series of the Company's capital stock or (F) the purchase of fractional interests in shares of the Company's capital stock pursuant to the conversion or exchange provisions of such capital stock or the security being converted or exchanged).

(b) The Company also covenants and agrees (i) that it shall directly or indirectly maintain 100% ownership of the Common Securities of the Trust; PROVIDED, HOWEVER, that any permitted successor of the Company hereunder may succeed to the Company's ownership of such Common Securities and (ii) that it shall use its reasonable efforts, consistent with the terms and provisions of the Declaration, to cause the Trust (x) to remain a statutory business trust, except in connection with the distribution of the Securities to the holders of Trust Securities in liquidation of the Trust, the redemption of all of the Trust Securities of the Trust, or certain mergers, consolidations or amalgamations, each as permitted by the Declaration, and (y) to otherwise continue to be classified as a grantor trust for United States Federal income tax purposes.

SECTION 10.06. PAYMENT OF EXPENSES OF THE TRUST. In connection with the offering, sale and issuance of the Securities to the Property Trustee in connection with the sale of the Trust Securities by the Trust, the Company shall:

(a) pay for all costs, fees and expenses relating to the exchange and issuance of the Securities, including compensation of the Trustee under the Indenture in accordance with the provisions of Section 6.07 of the Indenture;

(b) be responsible for and pay for all debts and obligations (other than with respect to the Trust Securities) of the Trust, pay for all costs and expenses of the Trust (including, but not limited to, costs and expenses relating to the organization of the Trust, the offering, sale and issuance of the Trust Securities (including commissions to the underwriters in connection therewith), the fees and expenses of the

Property Trustee and the Delaware Trustee, the costs and expenses relating to the operation of the Trust, including without limitation, costs and expenses of accountants, attorneys, statistical or bookkeeping services, expenses for printing and engraving and computing or accounting equipment, paying agent(s), registrar(s), transfer agent(s), duplicating, travel and telephone and other telecommunications expenses and costs and expenses incurred in connection with the acquisition, financing, and disposition of Trust assets); and

(c) pay any and all taxes (other than United States withholding taxes attributable to the Trust or its assets) and all liabilities, costs and expenses with respect to such taxes of the Trust.

ARTICLE XI

SECTION 11.01. OPTIONAL REDEMPTION. The Company shall have the right to redeem the Securities (an "Optional Redemption") in whole or in part, at any time or from time to time on or after March 15, 2003, at a Redemption Price (the "Optional Redemption Price") equal to \$27.27 per \$27 principal amount of the Securities to be redeemed plus any accrued and unpaid interest, including Additional Payments, if any, to the Redemption Date, if redeemed on or before March 15, 2004, and thereafter at \$27 per \$27 principal amount of the Securities plus, in each case, any accrued and unpaid interest, including Additional Payments, if any, to the Redemption Date.

(2) the Issuer Trustees shall have been informed by nationally recognized independent tax counsel (reasonably acceptable to the Issuer Trustees) experienced in such matters that a No Recognition Opinion cannot be delivered,

then the Company shall have the right upon not less than 20 days, nor more than 60 days, notice to the Holders of the Securities to redeem the Securities in whole, but not in part, for cash at \$27.27 per \$27 principal amount of the

Securities plus accrued and unpaid interest, including Additional Payments, if any, to the Redemption Date, within 90 days following the occurrence of such Tax Event (the "90 Day Period"); PROVIDED, HOWEVER, that if, at the time there is available to the Company or the Trust the opportunity to eliminate, within the 90 Day Period, the Tax Event by taking some ministerial action, including, but not limited to, filing a form or making an election, or pursuing some other similar reasonable measure which, in the sole judgment of the Company, will have no adverse effect on the Company, the Trust or the Holders of the Preferred Securities and will involve no material cost, then the Company or the Trust shall pursue such ministerial action or other measure in lieu of redemption; and PROVIDED FURTHER that the Company shall have no right to redeem the Securities while the Trust is pursuing any ministerial action or other similar measure pursuant to its obligations under the Declaration.

(b) If the Company opts not to redeem the Securities pursuant to this Section 11.02, the Company shall be required to pay Additional Sums in respect of the Securities pursuant to Section 3.01 for so long as (i) a Tax Event has occurred and is continuing and (ii) the Property Trustee is the sole Holder of the Securities.

SECTION 11.03. SELECTION BY TRUSTEE OF SECURITIES TO BE REDEEMED. If less than all the Securities are to be redeemed (unless such redemption affects only a single Security), the particular Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date by the Trustee by such method as the Trustee shall deem fair and appropriate, from the Outstanding Securities not previously called for redemption. Such selection method may provide for the selection for redemption of portions (equal to \$27 or any integral multiple thereof) of the principal amount of the Securities.

The Trustee shall promptly notify the Company in writing of the Securities selected for redemption as aforesaid and, in case of any Securities selected for partial redemption as aforesaid, the principal amount thereof to be redeemed.

The provisions of the two preceding paragraphs shall not apply with respect to any redemption affecting only a single Security, whether such Security is to be redeemed in whole or in part. In the case of any such redemption in part, the unredeemed portion of the principal amount of the Security shall be in an authorized

denomination (which shall not be less than the minimum authorized denomination) for such Security.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed.

SECTION 11.04. NOTICE OF REDEMPTION. Notice of redemption shall be given by first-class mail, postage prepaid, mailed not less than 30 (or, in the case of a redemption pursuant to Section 11.02 hereof, 20) nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed, at such Holder's address appearing in the Security Register.

All notices of redemption given pursuant to this Article XI shall identify the Securities to be redeemed (including, if relevant, CUSIP or ISIN number) and shall state:

(1) the Redemption Date,

(2) the Redemption Price,

(3) that on the Redemption Date the Redemption Price will become due and payable upon each such Security to be redeemed and that interest thereon will cease to accrue on and after said date,

(4) the place or places where such Securities are to be surrendered for payment of the Redemption Price, and

(5) the date on which the right to convert the Securities to be redeemed will terminate and the places where such Securities may be surrendered for conversion.

Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company.

SECTION 11.05. DEPOSIT OF REDEMPTION PRICE. Prior to 12:00 noon on any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 10.03) an amount of

money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

If any Security called for redemption is converted, any money deposited with the Trustee or with any Paying Agent or so segregated and held in trust for the redemption of such Security shall (subject to any right of the Holder of such Security or any Predecessor Security to receive interest as provided in the last paragraph of Section 3.08) be paid to the Company upon Company Request or, if then held by the Company, shall be discharged from such trust.

SECTION 11.06. SECURITIES PAYABLE ON REDEMPTION DATE. Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Company shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Company at the Redemption Price; PROVIDED, HOWEVER, that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Record Dates according to the terms and the provisions of Section 3.08.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the Redemption Date at the rate borne by the Security.

SECTION 11.07. SECURITIES REDEEMED IN PART. (a) In the event of any redemption in part, the Company shall not be required (i) to issue, register the transfer of or exchange any Security during a period beginning at the opening of business 15 days before the date of the mailing of a notice of redemption of Securities selected for redemption and ending at the close of business on the day of such mailing and (ii) to register the transfer of or exchange any Securities so selected for redemption, in whole or in part, except for the unredeemed portion of any Securities being redeemed in part.

(b) If a partial redemption of the Securities would result in the delisting of the Preferred Securities

issued by the Trust from any national securities exchange or other organization on which the Preferred Securities are listed, the Company shall not be permitted to effect such partial redemption and may only redeem the Securities in whole.

(c) Any Security which is to be redeemed only in part shall be surrendered at a place of payment therefor (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and make available for delivery to the Holder of such Security without service charge, a new Security or Securities, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Security so surrendered. If a Global Security is surrendered, such new Security will (subject to Section 3.06) also be a new Global Security.

ARTICLE XII

Subordination of Securities

SECTION 12.01. AGREEMENT TO SUBORDINATE. The Company covenants and agrees, and each Holder of Securities by such Holder's acceptance thereof likewise covenants and agrees, that all Securities shall be issued subject to the provisions of this Article XII; and each Holder of a Security, whether upon original issue or upon transfer or assignment thereof, accepts and agrees to be bound by such provisions. The payment by the Company of the principal of, premium, if any, and interest (including Additional Payments) on all Securities issued hereunder shall, to the extent and in the manner hereinafter set forth, be subordinated and junior in right of payment to the prior payment in full of all Senior Debt, whether outstanding at the date of this Indenture or thereafter incurred; PROVIDED, HOWEVER, that no provision of this Article XII shall prevent the occurrence of any default or Event of Default hereunder.

SECTION 12.02. DEFAULT ON SENIOR DEBT. In the event and during the continuation of any default by the Company in the payment of principal, premium, interest or any other payment due on any Senior Debt continuing beyond the period of grace, if any, specified in the instrument evidencing such Senior Debt, unless and until such default shall have been cured or waived or shall have ceased to

exist, and in the event that the maturity of any Senior Debt has been accelerated because of a default, then no payment shall be made by the Company with respect to the principal of (including redemption payments), premium, if any, or interest on the Securities.

In the event that, notwithstanding the foregoing, any payment shall be received by the Trustee when such payment is prohibited by the preceding paragraph of this Section 12.02, such payment shall be held in trust for the benefit of, and shall be paid over or delivered to, the holders of Senior Debt or their respective representatives, or to the trustee or trustees under any indenture pursuant to which any of such Senior Debt may have been issued, as their respective interests may appear, but only to the extent that the holders of the Senior Debt (or their representative or representatives or a trustee) notify the Trustee in writing within 90 days of such payment of the amounts then due and owing on the Senior Debt and only the amounts specified in such notice to the Trustee shall be paid to the holders of Senior Debt.

SECTION 12.03. LIQUIDATION; DISSOLUTION; BANKRUPTCY. Upon any payment by the Company or distribution of assets of the Company of any kind or character, whether in cash, property or securities, to creditors upon any dissolution or winding up or liquidation or reorganization of the Company, whether voluntary or involuntary, or in bankruptcy, insolvency, receivership or other proceedings, all amounts (including principal, premium, if any, and interest) due or to become due upon all Senior Debt shall first be paid in full, or payment thereof provided for in money in accordance with its terms, before any payment is made on account of the principal (and premium, if any) or interest on the Securities; and upon any such dissolution or winding up or liquidation or reorganization, any payment by the Company, or distribution of assets of the Company of any kind or character, whether in cash, property or securities, to which the Holders of the Securities or the Trustee would be entitled, except for the provisions of this Article XII, shall be paid by the Company or by any receiver, trustee in bankruptcy, liquidating trustee, agent or other Person making such payment or distribution, or by the Holders of the Securities or by the Trustee under this Indenture if received by them or it, directly to the holders of Senior Debt (pro rata to such holders on the basis of the respective amounts of Senior Debt held by such holders, as calculated by the Company) or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing such Senior Debt may have been issued, as their respective

interests may appear, to the extent necessary to pay such Senior Debt in full, in money or money's worth, after giving effect to any concurrent payment or distribution to or for the holders of such Senior Debt, before any payment or distribution is made to the Holders of Securities or to the Trustee.

In the event that, notwithstanding the foregoing, any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, prohibited by the foregoing shall be received by the Trustee or the Holders of the Securities before all Senior Debt is paid in full, or provision is made for such payment in money in accordance with its terms, such payment or distribution shall be held in trust for the benefit of and shall be paid over or delivered to the holders of Senior Debt or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing such Senior Debt may have been issued, and their respective interests may appear, as calculated by the Company, for application to the payment of all Senior Debt remaining unpaid to the extent necessary to pay such Senior Debt in full in money in accordance with its terms, after giving effect to any concurrent payment or distribution to or for the holders of such Senior Debt.

For purposes of this Article XII, the words, "cash, property or securities" shall not be deemed to include shares of stock of the Company as reorganized or readjusted, or securities of the Company or any other corporation provided for by a plan of reorganization or readjustment, the payment of which is subordinated at least to the extent provided in this Article XII with respect to the Securities to the payment of all Senior Debt which may at the time be outstanding; PROVIDED that (i) such Senior Debt is assumed by the new corporation, if any, resulting from any such reorganization or readjustment, and (ii) the rights of the holders of such Senior Debt are not, without the consent of such holders, altered by such reorganization or readjustment. The consolidation of the Company with, or the merger of the Company with or into, another Person or the liquidation or dissolution of the Company following the conveyance, transfer or lease of all or substantially all its properties and assets on a consolidated basis to another Person upon the terms and conditions provided for in Article VIII hereof shall not be deemed a dissolution, winding up, liquidation or reorganization for the purposes of this Section 12.03 if such other Person shall, as a part of such consolidation, merger, conveyance, transfer or lease, comply with the conditions stated in Article VIII hereof. Nothing in Section 12.02 or in this Section 12.03

shall apply to claims of, or payments to, the Trustee under or pursuant to Section 6.07 hereof.

SECTION 12.04. SUBROGATION. Subject to the payment in full of all Senior Debt, the rights of the Holders of the Securities shall be subrogated to the rights of the holders of such Senior Debt to receive payments or distributions of cash, property or securities of the Company, as the case may be, applicable to such Senior Debt until the principal of (and premium, if any) and interest on the Securities shall be paid in full; and, for the purposes of such subrogation, no payments or distributions to the holders of such Senior Debt of any cash, property or securities to which the Holders of the Securities or the Trustee would be entitled except for the provisions of this Article XII, and no payment pursuant to the provisions of this Article XII, to or for the benefit of the holders of such Senior Debt by Holders of the Securities or the Trustee, shall, as between the Company, its creditors other than holders of Senior Debt, and the Holders of the Securities, be deemed to be a payment by the Company to or on account of such Senior Debt. It is understood that the provisions of this Article XII are and are intended solely for the purposes of defining the relative rights of the Holders of the Securities, on the one hand, and the holders of such Senior Debt on the other hand.

Nothing contained in this Article XII or elsewhere in this Indenture or in the Securities is intended to or shall impair, as between the Company, its creditors other than the holders of Senior Debt, and the Holders of the Securities, the obligation of the Company, which is absolute and unconditional, to pay to the Holders of the Securities the principal of (and premium, if any) and interest on the Securities as and when the same shall become due and payable in accordance with their terms, or is intended to or shall affect the relative rights of the Holders of the Securities and creditors of the Company, as the case may be, other than the holders of Senior Debt, nor shall anything herein or therein prevent the Trustee or the Holder of any Security from exercising all remedies otherwise permitted by applicable law upon default under this Indenture, subject to the rights, if any, under this Article XII of the holders of such Senior Debt in respect of cash, property or securities of the Company, as the case may be, received upon the exercise of any such remedy.

Upon any payment or distribution of assets of the Company referred to in this Article XII, the Trustee, subject to the provisions of Section 6.03, and the Holders of the Securities shall be entitled to rely upon any order

or decree made by any court of competent jurisdiction in which such dissolution, winding up, liquidation or reorganization proceedings are pending, or a certificate of the receiver, trustee in bankruptcy, liquidation trustee, agent or other Person making such payment or distribution, delivered to the Trustee or to the Holders of the Securities, for the purposes of ascertaining the Persons entitled to participate in such distribution, the holders of the Senior Debt and other indebtedness of the Company, as the case may be, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article XII.

SECTION 12.05. TRUSTEE TO EFFECTUATE SUBORDINATION. Each Holder of Securities by such Holder's acceptance thereof authorizes and directs the Trustee on such Holder's behalf to take such action as may be necessary or appropriate to effectuate the subordination provided in this Article XII and appoints the Trustee as such Holder's attorney-in-fact for any and all such purposes.

SECTION 12.06. NOTICE BY THE COMPANY. The Company shall give prompt written notice to a Responsible Officer of the Trustee of any fact known to the Company which would prohibit the making of any payment of monies to or by the Trustee in respect of the Securities pursuant to the provisions of this Article XII. Notwithstanding the provisions of this Article XII or any other provision of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts which would prohibit the making of any payment of monies to or by the Trustee in respect of the Securities pursuant to the provisions of this Article XII unless and until a Responsible Officer of the Trustee shall have received written notice thereof at the Corporate Trust Office of the Trustee from the Company or a holder or holders of Senior Debt or from any trustee therefor; and before the receipt of any such written notice, the Trustee, subject to the provisions of Section 6.03 hereof, shall be entitled in all respects to assume that no such facts exist; PROVIDED, HOWEVER, that if the Trustee shall not have received the notice provided for in this Section 12.06 at least two Business Days prior to the date upon which by the terms hereof any money may become payable for any purpose (including, without limitation, the payment of the principal of (and premium, if any) or interest on any Security), then, anything herein contained to the contrary notwithstanding, the Trustee shall have full power and authority to receive such money and to apply the same to the purposes for which it was received, and shall not be affected by any notice to the contrary which may be received by it within two Business Days prior to such date.

The Trustee, subject to the provisions of Section 6.03, shall be entitled to rely on the delivery to it of a written notice by a Person representing himself to be a holder of Senior Debt (or a trustee on behalf of such holder) to establish that such notice has been given by a holder of such Senior Debt or a trustee on behalf of any such holder or holders. In the event that the Trustee determines in good faith that further evidence is required with respect to the right of any Person as a holder of Senior Debt to participate in any payment or distribution pursuant to this Article XII, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Debt held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and any other facts pertinent to the right of such Person under this Article XII, and, if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment.

SECTION 12.07. RIGHTS OF THE TRUSTEE; HOLDERS OF SENIOR DEBT. The Trustee in its individual capacity shall be entitled to all the rights set forth in this Article XII in respect of any Senior Debt at any time held by it, to the same extent as any other holder of Senior Debt, and nothing in this Indenture shall deprive the Trustee of any of its rights as such holder.

With respect to the holders of Senior Debt of the Company, the Trustee undertakes to perform or to observe only such of its covenants and obligations as are set forth in this Article XII, and no implied covenants or obligations with respect to the holders of such Senior Debt shall be read into this Indenture against the Trustee. The Trustee shall not be deemed to owe any fiduciary duty to the holders of such Senior Debt and, subject to the provisions of Section 6.03, the Trustee shall not be liable to any holder of such Senior Debt if it shall pay over or deliver to Holders of Securities, the Company or any other Person money or assets to which any holder of such Senior Debt shall be entitled by virtue of this Article XII or otherwise.

SECTION 12.08. SUBORDINATION MAY NOT BE IMPAIRED. No right of any present or future holder of any Senior Debt to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Company with the terms, provisions and covenants of this Indenture, regardless of any knowledge

thereof which any such holder may have or otherwise be charged with.

Without in any way limiting the generality of the foregoing paragraph, the holders of Senior Debt may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders of the Securities, without incurring responsibility to the holders of the Securities and without impairing or releasing the subordination provided in this Article XII or the obligations hereunder of the Holders of the Securities to the holders of Senior Debt, do any one or more of the following: (i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, such Senior Debt, or otherwise amend or supplement in any manner such Senior Debt or any instrument evidencing the same or any agreement under which such Senior Debt is outstanding; (ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing such Senior Debt; (iii) release any Person liable in any manner for the collection of such Senior Debt; and (iv) exercise or refrain from exercising any rights against the Company and any other Person.

ARTICLE XIII

Conversion of Securities

SECTION 13.01. CONVERSION RIGHTS. Subject to and upon compliance with the provisions of this Article, the Securities are convertible, at the option of the Holder, at any time prior to 5:00 p.m. New York City time on March 15, 2030 into fully paid and nonassessable shares of Capital Stock of the Company at an initial conversion rate of 0.73 shares of Capital Stock for each \$27 in aggregate principal amount of Securities (the "Initial Conversion Ratio") (equal to a conversion price of \$37 principal amount of Securities per share of Capital Stock (the "Initial Conversion Price")). The conversion ratio and the equivalent conversion price in effect at any given time are known as the "Applicable Conversion Ratio" and the "Applicable Conversion Price", respectively, and are subject to adjustment as described in this Article XIII. A Holder of Securities may convert any portion of the principal amount of the Securities into that number of fully paid and nonassessable shares of Capital Stock (calculated as to each conversion to the nearest 1/100th of a share) obtained by dividing the principal amount of the Securities to be converted by the Applicable Conversion Ratio. In case a Security or portion thereof is called for redemption, such conversion right in respect of the Security or portion so

called shall expire at the close of the Business Day immediately preceding the corresponding Redemption Date, unless the Company defaults in making the payment due upon redemption.

SECTION 13.02. CONVERSION PROCEDURES. (a) In order to convert all or a portion of the Securities, the Holder thereof shall deliver to the Conversion Agent an irrevocable Notice of Conversion setting forth the principal amount of Securities to be converted, together with the name or names, if other than the Holder, in which the shares of Capital Stock should be issued upon conversion and, if such Securities are definitive Securities, surrender to the Conversion Agent the Securities to be converted, duly endorsed or assigned to the Company or in blank. In addition, a holder of Preferred Securities may exercise its right under the Declaration to convert such Preferred Securities into Capital Stock by delivering to the Conversion Agent an irrevocable Notice of Conversion setting forth the information called for by the preceding sentence and directing the Conversion Agent (i) to exchange such Preferred Security for a portion of the Securities held by the Trust (at an exchange rate of \$27 principal amount of Securities for each Preferred Security) and (ii) to immediately convert such Securities, on behalf of such holder, into Capital Stock of the Company pursuant to this Article XIII and, if such Preferred Securities are in definitive form, surrendering such Preferred Securities, duly endorsed or assigned to the Company or in blank. So long as any Preferred Securities are outstanding, the Trust shall not convert any Securities except pursuant to a Notice of Conversion duly executed and delivered to the Conversion Agent by a holder of Preferred Securities.

If a Notice of Conversion is delivered on or after the Regular Record Date and prior to the subsequent Interest Payment Date, the Holder will be entitled to receive the interest payable on the subsequent Interest Payment Date on the portion of Securities to be converted notwithstanding the conversion thereof prior to such Interest Payment Date (unless the Maturity of such portion of such Security is prior to such Interest Payment Date). Except as otherwise provided in the immediately preceding sentence, in the case of any Security which is converted, interest whose Stated Maturity is after the date of conversion of such Security shall not be payable, and the Company shall not make nor be required to make any other payment, adjustment or allowance with respect to accrued but unpaid interest on the Securities being converted, which shall be deemed to be paid in full. Each conversion shall be deemed to have been effected immediately prior to the close of business on the

day on which the Notice of Conversion was received (the "Conversion Date") by the Conversion Agent from the Holder or from a holder of the Preferred Securities effecting a conversion thereof pursuant to its conversion rights under the Declaration, as the case may be. The Person or Persons entitled to receive the Capital Stock issuable upon such conversion shall be treated for all purposes as the record holder or holders of such Capital Stock as of the Conversion Date. As promptly as practicable on or after the Conversion Date, the Company shall issue and deliver at the office of the Conversion Agent, unless otherwise directed by the Holder in the Notice of Conversion, a certificate or certificates for the number of full shares of Capital Stock issuable upon such conversion, together with the cash payment, if any, in lieu of any fraction of any share to the Person or Persons entitled to receive the same. The Conversion Agent shall deliver such certificate or certificates to such Person or Persons.

(b) Subject to any right of the Holder of such Security or any Predecessor Security to receive interest as provided in the last paragraph of Section 3.08 and the second paragraph of clause (a) of Section 13.02, the Company's delivery upon conversion of the whole number of shares of Capital Stock into which the Securities are convertible (together with the cash payment, if any, in lieu of fractional shares) shall be deemed to satisfy the Company's obligation to pay the principal amount at Maturity of the portion of Securities so converted and any unpaid interest (including Compounded Interest and Additional Sums) accrued on such Securities at the time of such conversion.

(c) No fractional shares of Capital Stock will be issued as a result of conversion, but in lieu thereof, the Company shall pay to the Conversion Agent a cash adjustment in an amount equal to the same fraction of the Closing Price of such fractional interest on the date on which the Securities or Preferred Securities, as the case may be, were duly surrendered to the Conversion Agent for conversion, or, if such day is not a Trading Day, on the next Trading Day, and the Conversion Agent in turn will make such payment, if any, to the Holder of the Securities or the holder of the Preferred Securities so converted.

(d) In the event of the conversion of any Security in part only, a new Security or Securities for the unconverted portion thereof will be issued in the name of the Holder thereof upon the cancelation thereof in accordance with Section 3.06.

(e) In effecting the conversion transactions described in this Section, the Conversion Agent is acting as agent of the holders of Preferred Securities (in the exchange of Preferred Securities for Securities) and as agent of the Holders of Securities (in the conversion of Securities into Capital Stock), as the case may be, directing it to effect such conversion transactions. The Conversion Agent is hereby authorized (x) if the Trust exists, (i) to exchange Securities held by or on behalf of the Trust from time to time for Preferred Securities in connection with the conversion of such Preferred Securities in accordance with this Article XIII and (ii) to convert all or a portion of the Securities into Capital Stock and thereupon to deliver such shares of Capital Stock in accordance with the provisions of this Article XIII and to deliver to the Trust a new Security or Securities for any resulting unconverted principal amount and (y) if the Trust no longer exists (i) to exchange Securities held by the Holders in connection with the conversion of such Securities in accordance with this Article XIII and (ii) to convert all or a portion of the Securities into Capital Stock and thereupon to deliver such shares of Capital Stock in accordance with the provisions of this Article XIII and to deliver to such Holders a new Security or Securities for any resulting unconverted principal amount.

SECTION 13.03. CONVERSION PRICE ADJUSTMENTS. The Applicable Conversion Price shall be subject to adjustment (without duplication) from time to time as follows:

(i) In case the Company shall pay a dividend or make a distribution on the Capital Stock exclusively in Capital Stock, the Applicable Conversion Price in effect at the opening of business on the day following the date fixed for the determination of stockholders entitled to receive such dividend or other distribution shall be reduced by multiplying such Applicable Conversion Price by a fraction of which the numerator shall be the number of shares of Capital Stock outstanding at the close of business on the date fixed for such determination and the denominator shall be the sum of such number of shares and the total number of shares constituting such dividend or other distribution, such reduction to become effective immediately after the opening of business on the day following the date fixed for such determination. For the purposes of this subparagraph (i), the number of shares of Capital Stock at any time outstanding shall not include shares held in the treasury of the Company. In the event that such dividend or distribution is not so paid or made, the Applicable Conversion Price shall

again be adjusted to be the Applicable Conversion Price which would then be in effect if such dividend or distribution had not occurred.

(ii) In case the Company shall pay or make a dividend or other distribution on its Capital Stock consisting exclusively of, or shall otherwise issue to all holders of its Capital Stock, rights or warrants, in each case entitling the holders thereof to subscribe for or purchase shares of Capital Stock at a price per share less than the current market price per share (determined as provided in subparagraph (vii)) of the Capital Stock on the date fixed for the determination of stockholders entitled to receive such rights or warrants, the Applicable Conversion Price in effect at the opening of business on the day following the date fixed for such determination shall be reduced by multiplying such Applicable Conversion Price by a fraction of which the numerator shall be the number of shares of Capital Stock outstanding at the close of business on the date fixed for such determination plus the number of shares of Capital Stock which the aggregate of the offering price of the total number of shares of Capital Stock so offered for subscription or purchase would purchase at such current market price and the denominator shall be the number of shares of Capital Stock outstanding at the close of business on the date fixed for such determination plus the number of shares of Capital Stock so offered for subscription or purchase, such reduction to become effective immediately after the opening of business on the day following the date fixed for such determination. To the extent that rights are not so issued or shares of Capital Stock are not so delivered after the expiration of such rights or warrants, the Applicable Conversion Price shall be readjusted to the Applicable Conversion Price which would then be in effect if such date fixed for the determination of stockholders entitled to receive such rights or warrants had not been fixed. For the purposes of this subparagraph (ii), the number of shares of Capital Stock at any time outstanding shall not include shares held in the treasury of the Company.

(iii) In case outstanding shares of Capital Stock shall be subdivided into a greater number of shares of Capital Stock, the Applicable Conversion Price in effect at the opening of business on the day following the day upon which such subdivision becomes effective shall be proportionately reduced and, conversely, in case outstanding shares of Capital Stock shall each be

combined into a smaller number of shares of Capital Stock, the Applicable Conversion Price in effect at the opening of business on the day following the day upon which such combination becomes effective shall be proportionately increased, such reduction or increase, as the case may be, to become effective immediately after the opening of business on the day following the day upon which such subdivision or combination becomes effective.

(iv) Subject to the last sentence of this subparagraph (iv), in case the Company shall, by dividend or otherwise, distribute to all holders of its Capital Stock evidences of its indebtedness, shares of any class or series of capital stock, cash or assets (including securities, but excluding any rights or warrants referred to in subparagraph (ii) of this Section 13.03, any dividend or distribution paid exclusively in cash and any dividend or distribution referred to in subparagraph (i) of this Section 13.03), the Applicable Conversion Price shall be reduced so that the same shall equal the price determined by multiplying the Applicable Conversion Price in effect immediately prior to the effectiveness of the Applicable Conversion Price reduction contemplated by this subparagraph (iv) by a fraction of which the numerator shall be the current market price per share (determined as provided in subparagraph (vii) of this Section 13.03) of the Capital Stock on the date fixed for the determination of stockholders entitled to receive such distribution (the "Reference Date") less the fair market value (as determined in good faith by the Board of Directors, whose determination shall be conclusive and described in a resolution of the Board of Directors), on the Reference Date, of the portion of the evidences of indebtedness, shares of capital stock, cash and assets so distributed applicable to one share of Capital Stock and the denominator shall be such current market price per share of the Capital Stock, such reduction to become effective immediately prior to the opening of business on the day following the Reference Date. In the event that such dividend or distribution is not so paid or made, the Applicable Conversion Price shall again be adjusted to be the Applicable Conversion Price which would then be in effect if such dividend or distribution had not occurred. For purposes of this subparagraph (iv), any dividend or distribution that includes shares of Capital Stock or rights or warrants to subscribe for or purchase shares of Capital Stock shall be deemed instead to be (1) a dividend or distribution of the

evidences of indebtedness, shares of capital stock, cash or assets other than such shares of Capital Stock or such rights or warrants (making any Applicable Conversion Price reduction required by this subparagraph (iv)) immediately followed by (2) a dividend or distribution of such shares of Capital Stock or such rights or warrants (making any further Applicable Conversion Price reduction required by subparagraph (i) or (ii) of this Section 13.03), except any shares of Capital Stock included in such dividend or distribution shall not be deemed "outstanding at the close of business on the date fixed for such determination" within the meaning of subparagraph (i) of this Section 13.03.

(v) In case the Company shall pay or make a dividend or other distribution on its Capital Stock exclusively in cash (excluding cash dividends to the extent that the annualized per share amount thereof does not exceed 12 1/2 of the current market price per share of the Capital Stock on the Trading Day next preceding the date of declaration of such dividend), the Applicable Conversion Price shall be reduced so that the same shall equal the price determined by multiplying the Applicable Conversion Price in effect immediately prior to the effectiveness of the Applicable Conversion Price reduction contemplated by this subparagraph (v) by a fraction of which the numerator shall be the current market price per share (determined as provided in subparagraph (vii) of this Section 13.03) of the Capital Stock on the date fixed for the payment of such distribution less the amount of cash so distributed and not excluded as provided applicable to one share of Capital Stock and the denominator shall be such current market price per share of the Capital Stock, such reduction to become effective immediately prior to the opening of business on the day following the date fixed for the payment of such distribution; PROVIDED, HOWEVER, that in the event the portion of the cash so distributed applicable to one share of Capital Stock is equal to or greater than the current market price per share (as defined in subparagraph (vii) of this Section 13.03) of the Capital Stock on the record date mentioned above, in lieu of the foregoing adjustment, adequate provision shall be made so that each Holder of Securities shall have the right to receive upon conversion the amount of cash such Holder would have received had such Holder converted each Security immediately prior to the record date for the distribution of the cash. In the event that such dividend or distribution is not so paid or

made, the Applicable Conversion Price shall again be adjusted to be the Applicable Conversion Price which would then be in effect if such record date had not been fixed.

(vi) In case a tender or exchange offer (other than an odd-lot offer) made by the Company or any Subsidiary of the Company for all or any portion of the Company's Capital Stock shall expire and such tender or exchange offer shall involve the payment by the Company or such Subsidiary of consideration per share of Capital Stock having a fair market value (as determined in good faith by the Board of Directors, whose determination shall be conclusive and described in a resolution of the Board of Directors) at the last time (the "Expiration Time") tenders or exchanges may be made pursuant to such tender or exchange offer (as it shall have been amended) that exceeds 110% of the current market price per share (determined as provided in subparagraph (vii) of this Section 13.03) of the Capital Stock on the Trading Day next succeeding the Expiration Time, the Applicable Conversion Price shall be reduced so that the same shall equal the price determined by multiplying the Applicable Conversion Price in effect immediately prior to the effectiveness of the Applicable Conversion Price reduction contemplated by this subparagraph (vi) by a fraction of which the numerator shall be the number of shares of Capital Stock outstanding (including any tendered or exchanged shares) at the Expiration Time multiplied by the current market price per share (determined as provided in subparagraph (vii) of this Section 13.03) of the Capital Stock on the Trading Day next succeeding the Expiration Time and the denominator shall be the sum of (x) the fair market value (determined as aforesaid) of the aggregate consideration payable to stockholders based on the acceptance (up to any maximum specified in the terms of the tender or exchange offer) of all shares validly tendered or exchanged and not withdrawn as of the Expiration Time (the shares deemed so accepted, up to any such maximum, being referred to as the "Purchased Shares") and (y) the product of the number of shares of Capital Stock outstanding (less any Purchased Shares) at the Expiration Time and the current market price per share (determined as provided in subparagraph (vii) of this Section 13.03) of the Capital Stock on the Trading Day next succeeding the Expiration Time, such reduction to become effective immediately prior to the opening of business on the day following the Expiration Time.

(vii) For the purpose of any computation under subparagraphs (ii), (iv), (v) and (vi) of this Section 13.03, the current market price per share of Capital Stock on any date in question shall be deemed to be the average of the daily Closing Prices for the ten consecutive Trading Days prior to the earlier of the day in question and, if applicable, the day before the "ex" date with respect to the issuance or distribution requiring such computation; PROVIDED, HOWEVER, that if another event occurs that would require an adjustment pursuant to subparagraphs (i) through (vi) of this Section 13.03, inclusive, the Board of Directors may make such adjustments to the Closing Prices during such five Trading Day period as it deems appropriate to effectuate the intent of the adjustments in this Section 13.03, in which case any such determination by the Board of Directors shall be set forth in a Board Resolution and shall be conclusive. For purposes of this paragraph, the term "ex" date, (1) when used with respect to any issuance or distribution, means the first date on which the Capital Stock is quoted regular way on the New York Stock Exchange Composite Tape or on such successor securities exchange on which the Capital Stock may be quoted or listed or in the relevant market from which the Closing Prices were obtained without the right to receive such issuance or distribution, and (2) when used with respect to any tender or exchange offer means the first date on which the Capital Stock is quoted regular way on such securities exchange or in such market after the Expiration Time of such offer.

(viii) The Company may make such reductions in the Applicable Conversion Price, in addition to those required by subparagraphs (i), (ii), (iii), (iv), (v) and (vi) of this Section 13.03, as it considers to be advisable to avoid or diminish any income tax to holders of Capital Stock or rights to purchase Capital Stock resulting from any dividend or distribution of stock (or rights to acquire stock) or from any event treated as such for income tax purposes.

(ix) There shall also be no adjustment of the Applicable Conversion Price in case of the issuance of any Capital Stock (or securities convertible into or exchangeable for Capital Stock), except as specifically described above. If any action would require adjustment of the Applicable Conversion Price, pursuant to more than one of the anti-dilution provisions set forth in this Article XIII, only one adjustment shall be made and such adjustment shall be the amount of

adjustment that has the highest absolute value to Holders. Furthermore, no adjustment in the Applicable Conversion Price shall be required unless such adjustment would require an increase or decrease of at least 1% in the Applicable Conversion Price; PROVIDED, HOWEVER, that any adjustments which by reason of this sentence are not required to be made shall be carried forward and taken into account in determining whether any subsequent adjustment shall be required.

SECTION 13.04. RECLASSIFICATION, CONSOLIDATION, MERGER OR SALE OF ASSETS. In the event that the Company shall be a party to any transaction (including without limitation (a) any recapitalization or reclassification of the Capital Stock (other than a change in par value, or from par value to no par value, or from no par value to par value, or as a result of a subdivision or combination of the Capital Stock), (b) any consolidation of the Company with, or merger of the Company into, any other Person, any merger of another Person into the Company (other than a merger which does not result in a reclassification, conversion, exchange or cancelation of outstanding shares of Capital Stock of the Company), (c) any sale or transfer of all or substantially all of the assets of the Company or (d) any compulsory share exchange) (each of the events in the preceding clauses (a) through (d) being referred to as a "Company Transaction"), in each case, as a result of which shares of Capital Stock shall be converted into the right to receive other securities, cash or other property, then lawful provision shall be made as part of the terms of such Company Transaction whereby the Holder of each Security then outstanding shall have the right thereafter to convert such Security only into (i) in the case of any Company Transaction other than a Capital Stock Fundamental Change, the kind and amount of securities, cash and other property receivable upon the consummation of the Company Transaction by a holder of that number of shares of Capital Stock into which such Security was convertible immediately prior to such transaction, after giving effect to any adjustment in the Applicable Conversion Price required by the provision of Section 13.07(a)(i), and (ii) in the case of a Company Transaction involving a Capital Stock Fundamental Change, common stock of the kind received by holders of Capital Stock as a result of such Capital Stock Fundamental Change in an amount determined pursuant to the provisions of Section 13.07(a)(ii). Holders of the Securities shall have no voting rights with respect to any Company Transaction described in this Section 13.04.

The Company or the Person formed by such consolidation or resulting from such merger or which

acquired such assets or which acquires the Company's shares, as the case may be, shall make provision in its certificate or articles of incorporation or other constituent document to establish such right. Such certificate or articles of incorporation or other constituent document shall provide for adjustments which, for events subsequent to the effective date of such certificate or articles of incorporation or other constituent document, shall be as nearly equivalent as may be practicable to the adjustments provided for in this Article XIII. The above provisions shall similarly apply to successive transactions of the foregoing type.

SECTION 13.05. NOTICE OF ADJUSTMENTS OF CONVERSION PRICE.

Whenever the Applicable Conversion Price is adjusted as herein provided:

(a) the Company shall compute the adjusted Applicable Conversion Price and shall prepare a certificate signed by the Chief Financial Officer or the Treasurer of the Company setting forth the adjusted Applicable Conversion Price and showing in reasonable detail the facts upon which such adjustment is based, and such certificate shall forthwith be filed with the Trustee, the Conversion Agent and the transfer agent for the Preferred Securities and the Securities; and

(b) a notice stating the Applicable Conversion Price has been adjusted and setting forth the adjusted Applicable Conversion Price shall as soon as practicable be mailed by the Company to all record holders of Preferred Securities and the Securities at their last addresses as they appear upon the stock transfer books of the Company and the books and records of the Trust, respectively.

SECTION 13.06. PRIOR NOTICE OF CERTAIN EVENTS. In case:

(i) the Company shall (1) declare any dividend (or any other distribution) on its Capital Stock, other than (A) a dividend payable in shares of Capital Stock or (B) a dividend payable in cash that would not require an adjustment pursuant to Section 13.03(iv) or (v) or (2) authorize a tender or exchange offer that would require an adjustment pursuant to Section 13.03(vi);

(ii) the Company shall authorize the granting to all holders of Capital Stock of rights or warrants to

subscribe for or purchase any shares of stock of any class or series or of any other rights or warrants;

(iii) of any reclassification of Capital Stock (other than a subdivision or combination of the outstanding Capital Stock, or a change in par value, or from par value to no par value, or from no par value to par value), or of any consolidation or merger to which the Company is a party and for which approval of any stockholders of the Company shall be required, or of the sale or transfer of all or substantially all of the assets of the Company or of any compulsory share exchange whereby the Capital Stock is converted into other securities, cash or other property; or

(iv) of the voluntary or involuntary dissolution, liquidation or winding up of the Company;

then the Company shall (a) if any Preferred Securities are outstanding, cause to be filed with the transfer agent for the Preferred Securities, and shall cause to be mailed to the holders of record of the Preferred Securities, at their last addresses as they shall appear upon the books and records of the Trust, or (b) shall cause to be mailed to all Holders at their last addresses as they shall appear in the Security Register, at least fifteen days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record (if any) is to be taken for the purpose of such dividend, distribution, rights or warrants or, if a record is not to be taken, the date as of which the holders of Capital Stock of record to be entitled to such dividend, distribution, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer, share exchange, dissolution, liquidation or winding up is expected to become effective, and the date as of which it is expected that holders of Capital Stock of record shall be entitled to exchange their shares of Capital Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer, share exchange, dissolution, liquidation or winding up (but no failure to mail such notice or any defect therein or in the mailing thereof shall affect the validity of the corporate action required to be specified in such notice).

SECTION 13.07. ADJUSTMENTS IN CASE OF FUNDAMENTAL CHANGES. (a) Notwithstanding any other provision in this Article XIII to the contrary, in the case of any Company

Transaction involving a Fundamental Change, the Applicable Conversion Price will be adjusted immediately after such Fundamental Change as follows:

(i) in the case of a Non-Stock Fundamental Change, the Applicable Conversion Price of the Securities shall thereupon become the lower of (A) the Applicable Conversion Price in effect immediately prior to such Non-Stock Fundamental Change, but after giving effect to any other prior adjustments effected pursuant to this Article XIII, and (B) the result obtained by multiplying the greater of the Relevant Price or the then applicable Reference Market Price by the Optional Redemption Ratio (such product shall hereinafter be referred to as the "Adjusted Relevant Price" or the "Adjusted Reference Market Price", as the case may be); and

(ii) in the case of a Capital Stock Fundamental Change, the Applicable Conversion Price of the Securities in effect immediately prior to such Capital Stock Fundamental Change, but after giving effect to any other prior adjustments effected pursuant to this Article XIII, shall thereupon be adjusted by multiplying such Applicable Conversion Price by a fraction of which the numerator shall be the Purchaser Stock Price and the denominator shall be the Relevant Price; PROVIDED, HOWEVER, that in the event of a Capital Stock Fundamental Change in which (A) 100% of the value of the consideration received by a holder of Capital Stock is common stock of the successor, acquiror or other third party (and cash, if any, is paid only with respect to any fractional interests in such common stock resulting from such Capital Stock Fundamental Change) and (B) all of the Capital Stock shall have been exchanged for, converted into or acquired for common stock (and cash with respect to fractional interests) of the successor, acquiror or other third party, the Applicable Conversion Price of the Securities in effect immediately prior to such Capital Stock Fundamental Change shall thereupon be adjusted by multiplying such Applicable Conversion Price by a fraction of which the numerator shall be one and the denominator shall be the number of shares of common stock of the successor, acquiror, or other third party received by a stockholder for one share of Capital Stock as a result of such Capital Stock Fundamental Change.

(b) DEFINITIONS. The following definitions shall apply to terms used in this Article XIII:

(1) "CLOSING PRICE" of any security on any day shall mean on any day the last reported sale price of such security on such day, or in case no sale takes place on such day, the average of the closing bid and asked prices in each case on the principal national securities exchange on which such securities are listed or admitted to trading or, if not listed or admitted to trading on any national securities exchange, on the NNM or, if such securities are not listed or admitted to trading on any national securities exchange or quoted on the NNM, the average of the closing bid and asked prices in the over-the-counter market as furnished by any New York Stock Exchange member firm, or the national, commission-recognized trading system, selected by the Company for such purpose.

(2) "CAPITAL STOCK FUNDAMENTAL CHANGE" shall mean any Fundamental Change in which more than 50% of the value (as determined in good faith by the Board of Directors) of the consideration received by holders of Capital Stock consists of common stock that for each of the ten consecutive Trading Days immediately prior to the Entitlement Date has been admitted for listing or admitted for listing subject to notice of issuance on a national securities exchange or quoted on the NNM.

(3) "ENTITLEMENT DATE" shall mean the record date for determination of the holders of Capital Stock entitled to receive securities, cash or other property in connection with a Non-Stock Fundamental Change or a Capital Stock Fundamental Change or, if there is no such record date, the date upon which holders of Capital Stock shall have the right to receive such securities, cash or other property.

(4) "FUNDAMENTAL CHANGE" shall mean the occurrence of any transaction or event in connection with a plan pursuant to which all or substantially all of the Capital Stock shall be exchanged for, converted into, acquired for or constitute solely the right to receive securities, cash or other property (whether by means of an exchange offer, liquidation, tender offer, consolidation, merger, combination, reclassification, recapitalization or otherwise); PROVIDED, HOWEVER, in the case of a plan involving more than one such transaction or event, for purposes of adjustment of the Applicable Conversion Price, such Fundamental Change shall be deemed to have occurred when substantially all

of the Capital Stock of the Company shall be exchanged for, converted into, or acquired for or constitute solely the right to receive securities, cash or other property, but the adjustment shall be based upon the highest weighted average per share consideration that a holder of Capital Stock could have received in such transactions or events as a result of which more than 50% of the Capital Stock of the Company shall have been exchanged for, converted into, or acquired for or constitute solely the right to receive securities, cash or other property.

(5) "NON-STOCK FUNDAMENTAL CHANGE" shall mean any Fundamental Change other than a Capital Stock Fundamental Change.

(6) "OPTIONAL REDEMPTION RATIO" means a fraction of which the numerator shall be \$27 and the denominator will be the then current Optional Redemption Price or, prior to March 15, 2003, an amount per Security determined by the Company in its sole discretion, after consultation with an investment banking firm, to be the equivalent of the hypothetical redemption price that would have been applicable if the Securities had been redeemable during such period.

(7) "PURCHASER STOCK PRICE" shall mean, with respect to any Capital Stock Fundamental Change, the average of the daily Closing Prices of the common stock received in such Capital Stock Fundamental Change for the ten (10) consecutive Trading Days prior to and including the Entitlement Date, as adjusted in good faith by the Board of Directors to appropriately reflect any of the events referred to in subparagraphs (i), (ii), (iii), (iv), (v) and (vi) of Section 13.03.

(8) "REFERENCE MARKET PRICE" shall initially mean on the date of original issuance of the Securities, \$18 (which is an amount equal to 66-2/3% of the liquidation amount per Preferred Security), and, in the event of any adjustment to the Applicable Conversion Price, other than as a result of a Non-Stock Fundamental Change, the Reference Market Price shall also be adjusted so that the ratio of the Reference Market Price to the Applicable Conversion Price after giving effect to any such adjustment shall always be the same as the ratio of \$18 to the Initial Conversion Price.

(9) "RELEVANT PRICE" shall mean (i) in the event of a Non-Stock Fundamental Change in which the holders of the Capital Stock receive only cash, the amount of

cash received by a stockholder for one share of Capital Stock and (ii) in the event of any other Non-Stock Fundamental Change or any Capital Stock Fundamental Change, the average of the daily Closing Prices of the Capital Stock for the ten (10) consecutive Trading Days prior to and including the Entitlement Date, in each case, as adjusted in good faith by the Company to appropriately reflect any of the events referred to in subparagraphs (i), (ii), (iii), (iv), (v) and (vi) of Section 13.03.

(10) "TRADING DAY" shall mean a Business Day on which securities are traded on the national securities exchange, trading system or quotation system used to determine the Closing Price.

SECTION 13.08. DIVIDEND OR INTEREST REINVESTMENT PLANS. (a) Notwithstanding the foregoing provisions, the issuance of any shares of Capital Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on securities of the Company and the investment of additional optional amounts in shares of Capital Stock under any such plan, and the issuance of any shares of Capital Stock or options or rights to purchase such shares pursuant to any employee benefit plan or program of the Company or pursuant to any option, warrant, right or exercisable, exchangeable or convertible security outstanding as of the date the Securities were first issued, shall not be deemed to constitute an issuance of Capital Stock or exercisable, exchangeable or convertible securities by the Company to which any of the adjustment provisions described above applies.

(b) There shall also be no adjustment of the Applicable Conversion Price in case of the issuance of any stock (or securities convertible into or exchangeable for stock) of the Company except as specifically described in this Article XIII.

SECTION 13.09. CERTAIN ADDITIONAL RIGHTS. Notwithstanding any other provision of this Article XIII to the contrary, rights, warrants, evidences of indebtedness, other securities, cash or other assets (including, without limitation, any rights distributed pursuant to any stockholder rights plan) shall be deemed not to have been distributed for purposes of this Article XIII if the Company makes proper provision so that each Holder who converts a Security (or any portion thereof) after the date fixed for determination of stockholders entitled to receive such distribution shall be entitled to receive upon such conversion, in addition to the shares of Capital Stock

issuable upon such conversion, the amount and kind of such distributions that such Holder would have been entitled to receive if such Holder had, immediately prior to such determination date, converted such Security into Capital Stock.

SECTION 13.10. TRUSTEE NOT RESPONSIBLE FOR DETERMINING CONVERSION PRICE OR ADJUSTMENTS. Neither the Trustee nor any Conversion Agent shall at any time be under any duty or responsibility to any Holder of any Security to determine whether any facts exist which may require any adjustment of the Applicable Conversion Price, or with respect to the nature or extent of any such adjustment when made, or with respect to the method employed, or herein or in any supplemental indenture provided to be employed, in making the same. Neither the Trustee nor any Conversion Agent shall be accountable with respect to the validity or value (or the kind or amount) of any shares of Capital Stock or of any securities or property, which may at any time be issued or delivered upon the conversion of any Security; and neither the Trustee nor any Conversion Agent makes any representation with respect thereto. Neither the Trustee nor any Conversion Agent shall be responsible for any failure of the Company to make any cash payment or to issue, transfer or deliver any shares of Capital Stock or stock certificates or other securities or property upon the surrender of any Security for the purpose of conversion, or, except as expressly herein provided, to comply with any of the covenants of the Company contained in Article X or this Article XIII.

ARTICLE XIV

Immunity of Incorporators,
Stockholders, Officers and Directors

SECTION 14.01. NO RECOURSE. No recourse under or upon any obligation, covenant or agreement of this Indenture, or of any Security, or for any claim based thereon or otherwise in respect thereof, shall be had against any incorporator, stockholder, officer or director, past, present or future as such, of the Company or of any predecessor or successor corporation, either directly or through the Company or any such predecessor or successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that this Indenture and the obligations issued hereunder are solely corporate obligations, and that no such personal liability whatever shall attach to, or is or shall be

incurred by, the incorporators, stockholders, officers or directors as such, of the Company or of any predecessor or successor corporation, or any of them, because of the creation of the indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom; and that any and all such personal liability of every name and nature, either at common law or in equity or by constitution or statute, of, and any and all such rights and claims against, every such incorporator, stockholder, officer or director as such, because of the creation of the indebtedness hereby authorized, or under or by reason of the obligations, covenants or agreements contained in this Indenture or in any of the Securities or implied therefrom, are hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issuance of such Securities.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have caused this Indenture to be duly executed as of the day and year first above written.

[FORM OF REVERSE OF SECURITY]

CHEMED CORPORATION

Convertible Junior Subordinated
Debenture Due 2030(3)

1. INTEREST. CHEMED Corporation, a Delaware corporation (the "Company"), is the issuer of this Convertible Junior Subordinated Debenture Due 2030 (the "Security") limited in aggregate principal amount to \$27, issued under the Indenture hereinafter referred to. The Company promises to pay interest on the Securities in cash from the date of their original issuance or from the most recent interest payment date to which interest has been paid or duly provided for, quarterly (subject to deferral for up to 20 consecutive quarters as described in Section 3 hereof) in arrears on March 15, June 15, September 15 and December 15 of each year (each such date, an "Interest Payment Date"), commencing March 15, 2000, at \$0.50 per \$27 principal amount for the period from the date of original issuance of the Securities to March 15, 2000, and from March 15, 2000, at the Applicable Rate, PLUS Additional Sums, if any, until the principal hereof shall have become due and payable.

Except for the interest payable on March 15, 2000, the amount of interest payable for any period will be computed on the basis of twelve 30-day months and a 360-day year. To the extent lawful, the Company shall pay interest on overdue installments of interest (without regard to any applicable grace period) at the rate borne by the Securities, compounded quarterly. Any interest paid on this Security shall be increased to the extent necessary to pay Additional Sums as set forth in this Security.

2. ADDITIONAL SUMS. The Company shall pay to Chemed Capital Trust (and its permitted successors or assigns under the Declaration) (the "Trust") such additional amounts as may be necessary in order that the amount of dividends or other distributions then due and payable by the Trust on the Preferred Securities that at any time remain outstanding in accordance with the terms thereof shall not be reduced as a result of any additional taxes, duties and other governmental charges of whatever nature (other than withholding taxes) imposed by the United States or any other taxing authority.

3. EXTENSION OF INTEREST PAYMENT PERIOD. So long as no Event of Default has occurred and is continuing, the Company shall have the right, after March 15, 2000, at any time during the term of this Security, from time to time to defer payments of interest by extending the interest payment period of such Security for up to 20 consecutive quarters (a "Deferral Period"); PROVIDED that no Deferral Period may extend beyond March 15, 2030. To the extent permitted by applicable law, interest, the payment of which has been deferred because of the extension of the interest payment period pursuant to Section 3.13 of the Indenture, will bear interest thereon at the Applicable Rate compounded quarterly for each quarter of the Deferral Period ("Compounded Interest"). On the applicable Payment Resumption Date, the Company

- - - - -

(3) All terms used in this Security which are defined in the Indenture or in the Declaration referred to herein shall have the meanings assigned to them in the Indenture or the Declaration, as the case may be.

shall pay all interest then accrued and unpaid on the Securities, including any Compounded Interest that shall be payable to the Holders of the Securities in whose names the Securities are registered in the Security Register on the record date fixed for such Payment Resumption Date. Before the termination of any Deferral Period, the Company may further extend such period as provided in the Indenture, PROVIDED that such period together with all such further extensions thereof shall not exceed 20 consecutive quarters or extend beyond the Stated Maturity of the Security. Upon the termination of any Deferral Period and upon the payment of all Compounded Interest and Additional Sums (together, "Additional Payments"), if any, then due, the Company may commence a new Deferral Period, subject to the foregoing requirements. No interest shall be due and payable during a Deferral Period except on the applicable Payment Resumption Date.

The Company shall give the Holder of the Security and the Trustee written notice (a "Deferral Notice") of its selection of a Deferral Period at least ten days prior to the record date for any distributions that would have been payable on the Trust Securities except for the decision to begin or extend such Deferral Period. The Company may elect to pay all interest then accrued and unpaid on the Securities, including Compound Interest, on an Interest Payment Date prior to its most recently established Payment Resumption Date, PROVIDED that the Company gives the Holder of the Security and the Trustee a new Deferral Notice setting forth the revised Payment Resumption Date at least three Business Days prior to the Regular Record Date for such revised Payment Resumption Date.

The quarter in which any Deferral Notice is given pursuant to the second paragraph of this Section 3 shall be counted as one of the 20 quarters permitted in the maximum Deferral Period permitted under the first paragraph of this Section 3.

4. METHOD OF PAYMENT. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on the regular record date for such interest installment, which shall be the close of business on the fifteenth day immediately preceding each Interest Payment Date (the "Regular Record Date"), commencing March 1, 2000. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the Holder on such Regular Record Date and may either be paid to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given to Holders of Securities not less than ten days prior to such Special Record Date, or be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities may be listed, and upon such notice as may be required by such exchange, all as more fully provided in said Indenture, provided that any such payment will be made in such coin or currency of the United States of America which at the time of payment is a legal tender for payment of public and private debts.

Payment of the principal of and interest on this Security will be made at the office or agency of the Company maintained for that purpose, in coin or currency of the United States of America which at the time of payment is legal tender for payment of public and private debts; PROVIDED, HOWEVER, that at any time that the Property Trustee is not the sole holder of the Securities, payment of interest may, at the

option of the Company, be made by check mailed to the address of the Person entitled thereto as such address shall appear in the Security Register or by wire transfer.

5. PAYING AGENT AND SECURITY REGISTRAR. The Trustee will act as Paying Agent, Security Registrar and Conversion Agent. The Company may change any Paying Agent, Security Registrar, co-registrar or Conversion Agent without prior notice. The Company or any of its Affiliates may act in any such capacity.

6. INDENTURE. The Company issued the Securities under an indenture, dated as of February 7, 2000 (the "Indenture"), between the Company and Firststar Bank, National Association, as Trustee (herein called the "Trustee", which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Trustee, the Company and the Holders of the Securities, and of the terms upon which the Securities are, and are to be, authenticated and delivered. The terms of the Securities include those stated in the Indenture and those made part of the Indenture by the Trust Indenture Act of 1939 ("Trust Indenture Act") as in effect on the date of the Indenture. The Securities are subject to, and qualified by, all such terms, certain of which are summarized herein, and holders are referred to the Indenture and the Trust Indenture Act for a statement of such terms. The Securities are unsecured general obligations of the Company limited to up to \$55,670,112 and subordinated in right of payment to all existing and future Senior Debt of the Company. No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Security at the times, place and rate, and in the coin or currency, herein prescribed or to convert this Security as provided in the Indenture.

7. OPTIONAL REDEMPTION. The Securities are redeemable at the Company's option (an "Optional Redemption") in whole or in part, at any time or from time to time, on or after March 15, 2003, at a Redemption Price equal to \$27.27 per \$27 principal amount of the Securities to be redeemed plus any accrued and unpaid interest, including Additional Payments, if any, to the Redemption Date, if redeemed on or before March 15, 2004, and thereafter at \$27 per \$27 principal amount of the Securities plus, in each case, any accrued and unpaid interest, including Additional Payments, if any, to the Redemption Date.

8. OPTIONAL REDEMPTION UPON TAX EVENT. Subject to the conditions set forth in the Indenture, the Securities are subject to redemption in whole, but not in part, if a Tax Event shall occur and be continuing, at any time within 90 days following the occurrence of such Tax Event, at a Redemption Price equal to \$27.27 per \$27 principal amount thereof, plus accrued but unpaid interest, including Additional Payments, if any, to the Redemption Date.

In lieu of the foregoing, the Company also shall have the option of causing the Securities to remain outstanding and pay Additional Sums on the Securities.

9. NOTICE OF REDEMPTION. Notice of redemption will be mailed by first-class mail, postage prepaid, at least 30 days (or 20 days, in the case of a redemption upon the occurrence of a Tax Event), but not more than 60 days before the Redemption Date to each Holder of

the Securities to be redeemed at such Holder's address appearing in the Security Register.

10. NO SINKING FUND. There are no sinking fund payments with respect to the Securities.

11. PAYMENT TO REGISTERED HOLDERS; CESSATION OF INTEREST ACCRUAL UPON REDEMPTION. If this Security is redeemed subsequent to a Regular Record Date with respect to any Interest Payment Date specified above and on or prior to such Interest Payment Date, then any accrued interest will be paid to the person in whose name this Security is registered at the close of business on such record date. On or after the Redemption Date, interest will cease to accrue on the Securities, or portion thereof, called for redemption.

12. SUBORDINATION. The payment of the principal of, interest on or any other amounts due on the Securities is subordinated in right of payment to all existing and future Senior Debt (as defined below) of the Company, as described in the Indenture. Each Holder, by accepting a Security, agrees to such subordination and authorizes and directs the Trustee on its behalf to take such action as may be necessary or appropriate to effectuate the subordination so provided and appoints the Trustee as its attorney-in-fact for such purpose.

"Senior Debt" means (i) the principal of, and premium and interest, if any, on all indebtedness of the Company for money borrowed, whether outstanding on the date of execution of the Indenture or thereafter created, assumed or incurred, (ii) all obligations to make payment pursuant to the terms of financial instruments, such as (a) securities contracts and foreign currency exchange contracts, (b) derivative instruments, such as swap agreements (including interest rate and foreign exchange rate swap agreements), cap agreements, floor agreements, collar agreements, interest rate agreements, foreign exchange agreements, options, commodity futures contracts and commodity options contracts, and (c) similar financial instruments; except, in the case of both (i) and (ii) above, such indebtedness and obligations that are expressly stated to rank junior in right of payment to, or PARI PASSU in right of payment with, the Securities, (iii) indebtedness or obligations of others of the kind described in both (i) and (ii) above for the payment of which the Company is responsible or liable as guarantor or otherwise, and (iv) deferrals, renewals or extensions of any such Senior Debt; PROVIDED, HOWEVER, that Senior Debt shall not be deemed to include (a) any Debt of the Company which, when incurred and without respect to any election under Section 1111(b) of the United States Bankruptcy Code of 1978, was without recourse to the Company, (b) trade accounts payable and accrued liabilities arising in the ordinary course of business, (c) any Debt of the Company to any of its subsidiaries, (d) Debt to any employee of the Company, and (e) Debt which by its terms is subordinated to trade accounts payable or accrued liabilities arising in the ordinary course of business to the extent that payments made to the holders of such Debt by the Holders of the Securities as a result of the subordination provisions of the Indenture would be greater than such payments otherwise would have been as a result of any obligation of such holders of such Debt to pay amounts over to the obligees on such trade accounts payable or accrued liabilities arising in the ordinary course of business as a result of subordination provisions to which such Debt is subject.

13. CONVERSION. The Holder of any Security has the right, exercisable at any time prior to 5:00 p.m., New York City time, on March 15, 2030, to convert the principal amount thereof (or any portion

thereof that is an integral multiple of \$27) into shares of Capital Stock at the initial conversion rate of 0.73 shares of Capital Stock for each \$27 in aggregate principal amount of Securities (equivalent to a conversion price of \$37 per share of Capital Stock of the Company). The conversion ratio and equivalent conversion price in effect at any time are known as the "Applicable Conversion Price" and the "Applicable Conversion Ratio," respectively, and are subject to adjustment under certain circumstances. If a Security is called for redemption, the conversion right will terminate at the close of business on the Business Day immediately preceding the corresponding Redemption Date, unless the Company defaults in making the payment due upon redemption.

To convert a Security, a Holder must (1) complete and sign a conversion notice substantially in the form attached hereto, (2) surrender the Security to a Conversion Agent, (3) furnish appropriate endorsements or transfer documents if required by the Security Registrar or Conversion Agent and (4) pay any transfer or similar tax, if required. Upon conversion, no adjustment or payment will be made for interest or dividends, but if any Holder surrenders a Security for conversion after the close of business on the Regular Record Date for the payment of an installment of interest and prior to the opening of business on the next Interest Payment Date, then, notwithstanding such conversion, the interest payable on such Interest Payment Date will be paid to the registered Holder of such Security on such Regular Record Date. In such event, such Security, when surrendered for conversion, need not be accompanied by payment of an amount equal to the interest payable on such Interest Payment Date on the portion so converted. The number of shares issuable upon conversion of a Security is determined by dividing the principal amount of the Security converted by the Applicable Conversion Price in effect on the Conversion Date. No fractional shares will be issued upon conversion but a cash adjustment will be made for any fractional interest. The outstanding principal amount of any Security shall be reduced by the portion of the principal amount thereof converted into shares of Capital Stock.

14. REGISTRATION, TRANSFER, EXCHANGE AND DENOMINATIONS. As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Company, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities are issuable only in registered form without coupons. No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary. In the event of redemption or conversion of this Security in part only, a new Security or Securities for the unredeemed or unconverted portion hereof will be issued in the name of the Holder hereof upon the cancelation hereof.

15. PERSONS DEEMED OWNERS. Except as provided in Section 3 hereof, the registered Holder of a Security may be treated as its owner for all purposes.

16. UNCLAIMED MONEY. If money for the payment of principal or interest remains unclaimed for two years, the Trustee and the Paying Agent shall pay the money back to the Company at its written request. After that, holders of Securities entitled to the money must look to the Company for payment unless an abandoned property law designates another Person and all liability of the Trustee and such Paying Agent with respect to such money shall cease.

17. EVENTS OF DEFAULT AND REMEDIES. The Securities shall have the Events of Default as set forth in Section 5.01 of the Indenture. Subject to certain limitations in the Indenture, if an Event of Default occurs and is continuing, the Trustee by notice to the Company or the holders of at least 25% in aggregate principal amount of the Outstanding Securities by notice to the Company and the Trustee may declare all amounts payable on the Securities (including any Additional Payments) to be due and payable immediately; PROVIDED that, if the Property Trustee is the sole Holder of the Security and if upon an Event of Default, the Trustee or the holder of not less than 25% in aggregate principal amount of the then outstanding Securities fail to declare the principal of all the Securities to be immediately due and payable, the holders of at least 25% in aggregate liquidation amount of Preferred Securities then outstanding shall have such right by a notice in writing to the Company and the Trustee; and upon any such declaration such principal and all accrued interest shall become immediately due and payable; and PROVIDED further that the payment of principal and interest on such Securities shall remain subordinated to the extent provided in the Indenture.

In the case of an Event of Default, the holders of a majority in principal amount of the Outstanding Securities by written notice to the Trustee may rescind an acceleration and its consequences if the rescission would not conflict with any judgment or decree and if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of the acceleration.

Holders may not enforce the Indenture or the Securities except as provided in the Indenture. Subject to certain limitations, holders of a majority in principal amount of the then outstanding Securities issued under the Indenture may direct the Trustee in its exercise of any trust or power. The Company must furnish annually compliance certificates to the Trustee. The above description of Events of Default and remedies is qualified by reference to, and subject in its entirety by, the more complete description thereof contained in the Indenture.

18. AMENDMENTS, SUPPLEMENTS AND WAIVERS. The Indenture permits, subject to the rights of the holders of Preferred Securities set forth therein and in the Declaration and with certain other exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company, and the rights of the Holders of the Securities under the Indenture, at any time, by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Securities at the time Outstanding. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the Securities at the time Outstanding, on behalf of the Holders of all the

Securities, subject to the rights of the holders of the Preferred Securities set forth therein and in the Declaration, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange therefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security. The above description of amendments, supplements and waivers is qualified by reference to, and subject in its entirety, by the more complete description thereof contained in the Indenture.

19. TRUSTEE DEALINGS WITH THE COMPANY. The Trustee, in its individual or any other capacity may become the owner or pledgee of the Securities and may otherwise deal with the Company or an Affiliate with the same rights it would have, as if it were not a Trustee, subject to certain limitations provided for in the Indenture and in the Trust Indenture Act. Any Agent may do the same with like rights.

22. NO RECOURSE AGAINST OTHERS. A director, officer, employee or stockholder, as such, of the Company shall not have any liability for any obligations of the Company under the Securities or the Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder of the Securities by accepting a Security waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Securities.

21. GOVERNING LAW. THE INTERNAL LAWS OF THE STATE OF DELAWARE SHALL GOVERN THE INDENTURE AND THE SECURITIES WITHOUT REGARD TO CONFLICT OF LAW PROVISIONS THEREOF.

22. AUTHENTICATION. The Securities shall not be valid until authenticated by the manual signature of an authorized officer of the Trustee or an authenticating agent.

23. ABBREVIATIONS. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

The Company will furnish to any Holder of the Securities upon written request and without charge a copy of the Indenture. Request may be made to:

SECTION 2.06. EVENTS OF DEFAULT; WAIVER. The Holders of a Majority in liquidation amount of the Preferred Securities may, by vote, on behalf of the Holders of all of the Preferred Securities, waive any past Event of Default and its consequences. Upon such waiver, any such Event of Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Guarantee, but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent therefrom.

SECTION 2.07. EVENT OF DEFAULT; NOTICE. (a) The Guarantee Trustee shall, within 90 days after the occurrence of an Event of Default actually known to the Guarantee Trustee, transmit by mail, first-class postage prepaid, to the Holders, notices of all Events of Default known to the Guarantee Trustee, unless such defaults have been cured before the giving of such notice; PROVIDED that, except in the case of a default in the payment of a Guarantee Payment, the Guarantee Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee, or a trust committee of directors and/or Responsible Officers of the Guarantee Trustee in good faith determines that the withholding of such notice is in the interests of the Holders.

(b) The Guarantee Trustee shall not be deemed to have knowledge of any Event of Default except any Event of Default as to which the Guarantee Trustee shall have received written notice or a Responsible Officer charged with the administration of the Declaration shall have obtained written notice.

ARTICLE III

POWERS, DUTIES AND RIGHTS OF GUARANTEE TRUSTEE SECTION 3.01.
POWERS AND DUTIES OF THE GUARANTEE TRUSTEE. (a) This Guarantee shall be held by the Guarantee Trustee for the benefit of the Holders, and the Guarantee

Trustee shall not transfer this Guarantee to any Person except a Holder exercising his or her rights pursuant to Section 5.05(d) or to a Successor Guarantee Trustee on acceptance by such Successor Guarantee Trustee of its appointment to act as Successor Guarantee Trustee. The right, title and interest of the Guarantee Trustee shall automatically vest in any Successor Guarantee Trustee, and such vesting and cessation of title shall be effective whether or not conveyancing documents have been executed and delivered pursuant to the appointment of such Successor Guarantee Trustee.

(b) If an Event of Default has occurred and is continuing, the Guarantee Trustee shall enforce this Guarantee for the benefit of the Holders.

(c) The Guarantee Trustee, before the occurrence of any Event of Default and after the curing of all Events of Default that may have occurred, shall undertake to perform only such duties as are specifically set forth in this Guarantee, and no implied covenants shall be read into this Guarantee against the Guarantee Trustee. In case an Event of Default has occurred (that has not been cured or waived pursuant to Section 2.06), the Guarantee Trustee shall exercise such of the rights and powers vested in it by this Guarantee, and use the same degree of care and skill in its exercise thereof, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(d) No provision of this Guarantee shall be construed to relieve the Guarantee Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) prior to the occurrence of any Event of Default and after the curing or waiving of all such Events of Default that may have occurred:

(A) the duties and obligations of the Guarantee Trustee shall be determined solely by the express provisions of this Guarantee, and the Guarantee Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Guarantee, and no implied covenants or obligations shall be read into this Guarantee against the Guarantee Trustee; and

(B) in the absence of bad faith on the part of the Guarantee Trustee, the Guarantee Trustee

may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Guarantee Trustee and conforming to the requirements of this Guarantee; but in the case of any such certificates or opinions that by any provision hereof are specifically required to be furnished to the Guarantee Trustee, the Guarantee Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Guarantee;

(ii) the Guarantee Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Guarantee Trustee, unless it shall be proved that the Guarantee Trustee was negligent in ascertaining the pertinent facts upon which such judgment was made;

(iii) the Guarantee Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a Majority in liquidation amount of the Preferred Securities, relating to the time, method and place of conducting any proceeding for any remedy available to the Guarantee Trustee, or exercising any trust or power conferred upon the Guarantee Trustee under this Guarantee; and

(iv) no provision of this Guarantee shall require the Guarantee Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

SECTION 3.02. CERTAIN RIGHTS OF GUARANTEE TRUSTEE. (a) Subject to the provisions of Section 3.01:

(i) the Guarantee Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed, sent or presented by the proper party or parties;

(ii) any direction or act of the Guarantor contemplated by this Guarantee shall be sufficiently evidenced by an Officers' Certificate;

(iii) whenever, in the administration of this Guarantee, the Guarantee Trustee shall deem it desirable that a matter be proved or established before taking, suffering or omitting any action hereunder, the Guarantee Trustee (unless other evidence is herein specifically prescribed) may, in the absence of bad faith on its part, request and rely upon an Officers' Certificate which, upon receipt of such request, shall be promptly delivered by the Guarantor;

(iv) the Guarantee Trustee shall have no duty to see to any recording, filing or registration of any instrument (or any rerecording, refiling or reregistration thereof);

(v) the Guarantee Trustee may consult with legal counsel of its selection, and the written advice or opinion of such legal counsel with respect to legal matters shall be full and complete authorization and protection in respect of any action taken, suffered or omitted to be taken by it hereunder in good faith and in accordance with such advice or opinion. Such legal counsel may be legal counsel to the Guarantor or any of its Affiliates and may include any of the Guarantor's employees. The Guarantee Trustee shall have the right at any time to seek instructions concerning the administration of this Guarantee from any court of competent jurisdiction.

(vi) the Guarantee Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Guarantee at the request or direction of any Holder, unless such Holder shall have provided to the Guarantee Trustee security and indemnity satisfactory to the Guarantee Trustee against the costs, expenses (including attorneys' fees and expenses) and liabilities that might be incurred by it in complying with such request or direction, including such reasonable advances as may be requested by the Guarantee Trustee; PROVIDED that nothing contained in this Section 3.02(a)(vi) shall be taken to relieve the Guarantee Trustee, upon the occurrence of an Event of Default, of its obligation to exercise the rights and powers vested in it by this Guarantee;

(vii) the Guarantee Trustee shall not be bound to make any investigation into the facts or matters stated

in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Guarantee Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit;

(viii) the Guarantee Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys, and the Guarantee Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(ix) any action taken by the Guarantee Trustee or its agents hereunder shall bind the Holders, and the signature of the Guarantee Trustee or its agents alone shall be sufficient and effective to perform any such action; it being understood that no third party shall be required to inquire as to the authority of the Guarantee Trustee to so act or as to its compliance with any of the terms and provisions of this Guarantee, both of which shall be conclusively evidenced by the Guarantee Trustee's or its agent's taking such action; and

(x) whenever in the administration of this Guarantee the Guarantee Trustee shall deem it desirable to receive instructions with respect to enforcing any remedy or right or taking any other action hereunder, the Guarantee Trustee (i) may request written instructions from the Holders or, other than with respect to enforcing any remedy or right or taking any action related thereto, the Guarantor, (ii) may refrain from enforcing such remedy or right or taking such other action until such written instructions are received, and (iii) shall be protected in acting in accordance with such written instructions.

(b) No provision of this Guarantee shall be deemed to impose any duty or obligation on the Guarantee Trustee to perform any act or acts or exercise any right, power, duty or obligation conferred or imposed on it, in any jurisdiction in which it shall be illegal, or in which the Guarantee Trustee shall be unqualified or incompetent in accordance with applicable law, to perform any such act or acts or to exercise any such right, power, duty or obligation. No permissive power or authority available to the Guarantee Trustee shall be construed to be a duty.

SECTION 3.03. NOT RESPONSIBLE FOR RECITALS OR ISSUANCE OF GUARANTEE. The recitals contained in this Guarantee shall be taken as the statements of the Guarantor, and the Guarantee Trustee does not assume any responsibility for their correctness. The Guarantee Trustee makes no representations as to the validity or sufficiency of this Guarantee.

ARTICLE IV

GUARANTEE TRUSTEE

SECTION 4.01. GUARANTEE TRUSTEE; ELIGIBILITY. (a) There shall at all times be a Guarantee Trustee which shall:

(i) not be an Affiliate of the Guarantor; and

(ii) be a corporation organized and doing business under the laws of the United States of America or any State or Territory thereof or of the District of Columbia, or a corporation or Person permitted by the Securities and Exchange Commission to act as an institutional trustee under the Trust Indenture Act, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least 50 million U.S. dollars (\$50,000,000), and subject to supervision or examination by Federal, State, Territorial or District of Columbia authority. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the supervising or examining authority referred to above, then, for the purposes of this Section 4.01(a)(ii), the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

(b) If at any time the Guarantee Trustee shall cease to be eligible to so act under Section 4.01(a), the Guarantee Trustee shall immediately resign in the manner and with the effect set out in Section 4.02(c).

(c) If the Guarantee Trustee has or shall acquire any "conflicting interest" within the meaning of Section 3.10(b) of the Trust Indenture Act, the Guarantee Trustee and Guarantor shall in all respects comply with the provisions of Section 3.10(b) of the Trust Indenture Act.

SECTION 4.02. APPOINTMENT, REMOVAL AND RESIGNATION OF GUARANTEE TRUSTEE. (a) Subject to Section 4.02(b), the Guarantee Trustee may be appointed or removed without cause at any time by the Guarantor.

(b) The Guarantee Trustee shall not be removed in accordance with Section 4.02(a) until a Successor Guarantee Trustee has been appointed and has accepted such appointment by written instrument executed by such Successor Guarantee Trustee and delivered to the Guarantor.

(c) The Guarantee Trustee appointed to office shall hold office until a Successor Guarantee Trustee shall have been appointed or until its removal or resignation. The Guarantee Trustee may resign from office (without need for prior or subsequent accounting) by an instrument in writing executed by the Guarantee Trustee and delivered to the Guarantor, which resignation shall not take effect until a Successor Guarantee Trustee has been appointed and has accepted such appointment by instrument in writing executed by such Successor Guarantee Trustee and delivered to the Guarantor and the resigning Guarantee Trustee.

(d) If no Successor Guarantee Trustee shall have been appointed and accepted appointment as provided in this Section 4.02 within 60 days after delivery to the Guarantor of an instrument of removal or resignation, the Guarantee Trustee resigning or being removed may petition any court of competent jurisdiction for appointment of a Successor Guarantee Trustee. Such court may thereupon, after prescribing such notice, if any, as it may deem proper, appoint a Successor Guarantee Trustee.

(e) No Guarantee Trustee shall be liable for the acts or omissions to act of any Successor Guarantee Trustee.

(f) Upon termination of this Guarantee or removal or resignation of the Guarantee Trustee pursuant to this Section 4.02, the Guarantor shall pay to the Guarantee Trustee all amounts accrued to the date of such termination, removal or resignation.

ARTICLE V

GUARANTEE

SECTION 5.01. GUARANTEE. The Guarantor irrevocably and unconditionally agrees to pay in full on a subordinated basis to the Holders the Guarantee Payments (without duplication of amounts theretofore paid by or on behalf of the Issuer), as and when due, in coin or currency

of the United States of America which at the time of payment is legal tender for payment of public and private debt regardless of any defense, right of setoff or counterclaim that the Issuer may have or assert other than the defense of payment. The Guarantor's obligation to make a Guarantee Payment may be satisfied by direct payment of the required amounts by the Guarantor to the Holders or by causing the Issuer to pay such amounts to the Holders.

SECTION 5.02. SUBORDINATION. If a Debenture Event of Default or a Declaration Event of Default (or an event that, with passage of time, would become a Debenture Event of Default) shall have occurred and be continuing, the rights of holders of the Common Securities to receive Guarantee Payments under the Common Securities Guarantee are subordinated to the rights of Holders to receive Guarantee Payments under this Guarantee.

SECTION 5.03. WAIVER OF NOTICE AND DEMAND. The Guarantor hereby waives notice of acceptance of this Guarantee and of any liability to which it applies or may apply, presentment, demand for payment, any right to require a proceeding first against the Issuer or any other Person before proceeding against the Guarantor, protest, notice of nonpayment, notice of dishonor, notice of redemption and all other notices and demands.

SECTION 5.04. OBLIGATIONS NOT AFFECTED. The obligations, covenants, agreements and duties of the Guarantor under this Guarantee shall in no way be affected or impaired by reason of the happening from time to time of any of the following:

(a) the release or waiver, by operation of law or otherwise, of the performance or observance by the Issuer of any express or implied agreement, covenant, term or condition relating to the Preferred Securities to be performed or observed by the Issuer;

(b) the extension of time for the payment by the Issuer of all or any portion of the Distributions, the amount payable upon redemption or the amount payable upon liquidation or any other sums payable under the terms of the Preferred Securities or the extension of time for the performance of any other obligation under, arising out of, or in connection with, the Preferred Securities (other than an extension of time for payment of Distributions that results from the extension of any interest payment period on the Debentures permitted by the Indenture);

(c) any failure, omission, delay or lack of diligence on the part of the Holders to enforce, assert or exercise any right, privilege, power or remedy conferred on the Holders pursuant to the terms of the Preferred Securities, or any action on the part of the Issuer granting indulgence or extension of any kind;

(d) the voluntary or involuntary liquidation, dissolution, sale of any collateral, receivership, insolvency, bankruptcy, assignment for the benefit of creditors, reorganization, arrangement, composition or readjustment of debt of, or other similar proceedings affecting, the Issuer or any of the assets of the Issuer;

(e) any invalidity of, or defect or deficiency in the Preferred Securities;

(f) the settlement or compromise of any obligation guaranteed hereby or hereby incurred; or

(g) any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a guarantor, it being the intent of this Section 5.04 that the obligations of the Guarantor hereunder shall be absolute and unconditional under any and all circumstances.

There shall be no obligation of the Holders or any other Person to give notice to, or obtain consent of, the Guarantor with respect to the happening of any of the foregoing.

SECTION 5.05. RIGHTS OF HOLDERS. The Guarantor expressly acknowledges that:

(a) This Guarantee will be deposited with the Guarantee Trustee to be held for the benefit of the Holders.

(b) The Guarantee Trustee has the right to enforce this Guarantee on behalf of the Holders.

(c) The Holders of a Majority in liquidation amount of the Preferred Securities have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Guarantee Trustee in respect of this Guarantee or exercising any trust or power conferred upon the Guarantee Trustee under this Guarantee.

(d) Any Holder may institute a legal proceeding directly against the Guarantor to enforce its rights under this Guarantee, without first instituting a legal proceeding against the Issuer, the Guarantee Trustee or any other Person.

SECTION 5.06. GUARANTEE OF PAYMENT. This Guarantee creates a guarantee of payment and not of collection. This Guarantee will not be discharged except by payment of the Guarantee Payments in full (without duplication of amounts theretofore paid by the Issuer) or upon distribution of Debentures to Holders as provided in the Declaration.

SECTION 5.07. SUBROGATION. The Guarantor shall be subrogated to all (if any) rights of the Holders against the Issuer in respect of any amounts paid to such Holders by the Guarantor under this Guarantee and shall have the right to waive payment by the Issuer pursuant to Section 5.01; PROVIDED, HOWEVER, that the Guarantor shall not (except to the extent required by mandatory provisions of law) be entitled to enforce or exercise any right that it may acquire by way of subrogation or any indemnity, reimbursement or other agreement, in all cases as a result of payment under this Guarantee, if, at the time of any such payment, any amounts are due and unpaid under this Guarantee. If any amount shall be paid to the Guarantor in violation of the preceding sentence, the Guarantor agrees to hold such amount in trust for the Holders and to pay over such amount to the Holders.

SECTION 5.08. INDEPENDENT OBLIGATIONS. The Guarantor acknowledges that its obligations hereunder are independent of the obligations of the Issuer with respect to the Preferred Securities, and that the Guarantor shall be liable as principal and as debtor hereunder to make Guarantee Payments pursuant to the terms of this Guarantee notwithstanding the occurrence of any event referred to in subsections (a) through (g), inclusive, of Section 5.04 hereof.

SECTION 5.09. CONVERSION. The Guarantor acknowledges its obligation to issue and deliver common stock upon the conversion of the Preferred Securities.

ARTICLE VI

LIMITATION OF TRANSACTIONS; SUBORDINATION

SECTION 6.01. LIMITATION OF TRANSACTIONS. So long as any Preferred Securities remain outstanding, if there shall have occurred and be continuing a Debenture Event of Default, a Declaration Event of Default or an event that, with the giving of notice or the lapse of time or both, would constitute a Debenture Event of Default or a Declaration Event of Default, or a selection by the Guarantor of a Deferral Period as provided in the Indenture and such period, or any extension thereof, shall be continuing, then (a) the Guarantor shall not declare or pay any dividend on, or make any distribution with respect to, or redeem, purchase, acquire or make a liquidation payment with respect to, any of its capital stock (other than stock dividends paid by the Guarantor which stock dividends consist of the stock of the same class as that on which the dividend is being paid), (b) the Guarantor shall not make any payment of interest, principal or premium, if any, on or repay, repurchase or redeem any debt securities issued by the Guarantor which rank PARI PASSU with or junior in interest to the Debentures and (c) shall not make any guarantee payments with respect to any guarantee by the Guarantor of the debt securities of any subsidiary of the Guarantor if such guarantee ranks PARI PASSU with or junior in interest to the Debentures (in each case, other than (A) dividends or distributions in Common Stock, (B) any declaration of a dividend in connection with the implementation of a stockholders' rights plan, or the issuance of stock under any such plan in the future, or the redemption or repurchase of any such rights pursuant thereto, (C) payments under this Guarantee, (D) purchases or acquisitions of shares of the Common Stock in connection with the satisfaction by the Guarantor of its obligations under any employee benefit plan or any other contractual obligation of the Guarantor (other than a contractual obligation ranking PARI PASSU with or junior in interest to the Securities), (E) as a result of a reclassification of the Guarantor's capital stock or the exchange or conversion of one class or series of the Guarantor's capital stock for another class or series of the Guarantor's capital stock or (F) the purchase of fractional interests in shares of the Guarantor's capital stock pursuant to the conversion or exchange provisions of such capital stock or the security being converted or exchanged).

SECTION 6.02. RANKING. This Guarantee will constitute an unsecured obligation of the Guarantor and will rank subordinate to all Senior Debt of the Guarantor to the same extent that the Debentures are subordinated pursuant to the Indenture.

ARTICLE VII

TERMINATION

SECTION 7.01. TERMINATION. This Guarantee shall terminate upon (i) full payment of the amount payable upon redemption of all Preferred Securities, (ii) the distribution of the Guarantor's common stock to the Holders in respect of the conversion of the Preferred Securities into the Guarantor's common stock or the distribution of the Debentures to the Holders of all of the Preferred Securities or (iii) full payment of the amounts payable in accordance with the Declaration upon liquidation of the Issuer. Notwithstanding the foregoing, this Guarantee will continue to be effective or will be reinstated, as the case may be, if at any time any Holder must restore payment of any sums paid under the Preferred Securities or under this Guarantee.

ARTICLE VIII

INDEMNIFICATION

SECTION 8.01. EXCULPATION. (a) No Indemnified Person shall be liable, responsible or accountable in damages or otherwise to the Guarantor or any Covered Person for any loss, damage or claim incurred by reason of any act or omission performed or omitted by such Indemnified Person in good faith in accordance with this Guarantee and in a manner that such Indemnified Person reasonably believed to be within the scope of the authority conferred on such Indemnified Person by this Guarantee or by law, except that an Indemnified Person shall be liable for any such loss, damage or claim incurred by reason of such Indemnified Person's negligence or willful misconduct with respect to such acts or omissions.

(b) An Indemnified Person shall be fully protected in relying in good faith upon the records of the Guarantor and upon such information, opinions, reports or statements presented to the Guarantor by any Person as to matters the Indemnified Person reasonably believes are within such other Person's professional or expert competence and who has been selected with reasonable care by or on

behalf of the Guarantor, including information, opinions, reports or statements as to the value and amount of the assets, liabilities, profits, losses, or any other facts pertinent to the existence and amount of assets from which Distributions to Holders might properly be paid.

SECTION 8.02. INDEMNIFICATION. (a) The Guarantor agrees to indemnify each Indemnified Person for, and to hold each Indemnified Person harmless against, any and all loss, liability or expense including taxes (other than taxes based on the income of such Indemnified Person) incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of the trust or trusts hereunder, including the costs and expenses (including reasonable legal fees and expenses) of defending itself against or investigating any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder. The obligation to indemnify as set forth in this Section 8.02 shall survive the termination of this Guarantee.

(b) To the fullest extent permitted by applicable law, expenses (including legal fees and expenses) incurred by an Indemnified Person in defending any claim, demand, action, suit or proceeding shall, from time to time, be advanced by the Guarantor prior to the final disposition of such claim, demand, action, suit or proceeding upon receipt by the Guarantor of an undertaking by or on behalf of the Indemnified Person to repay such amount if it shall be determined that the Indemnified Person is not entitled to be indemnified as authorized in Section 8.02(a).

(c) No Indemnified Person shall claim or exact any lien or charge on any Guarantee Payments as a result of any amount due to it under this Guarantee.
