The accompanying unaudited consolidated financial statements of Chemed Corporation ("Company") shown on pages F-1 and F-2 present the Company's results of operations for the three years ended December 31, 2004 and the Company's financial position as of December 31, 2004 and 2003. The significant changes in the statement of operations for the year ended December 31, 2004 versus the year ended December 31, 2003 and for the balance sheet as of December 31, 2004 and 2003 are due to the following:

- o On February 24, 2004, the Company acquired the 63% of VITAS Healthcare Corporation ("VITAS") it did not previously own and has included the results of operations of VITAS in its financial statements since that date. VITAS contributed service revenues of \$458.7 million in 2004 and net income of \$29.1 million in 2004.
- o In February 2004, the Company issued two million shares of capital stock at \$50 per share and borrowed \$335 million to finance the purchase of VITAS, retire \$67 million of VITAS' debt and retire \$26 million of the Company's debt. As a result, pretax interest expense increased from \$3.2 million in 2003 to \$21.2 million in 2004.
- In December 2004, the Board of Directors of the Company approved disposing the Service America segment in a sale to certain employees. Accordingly, the accounts of Service America have been reclassified to discontinued operations in the Company's consolidated financial statements. The Company recognized a \$5.4 million pretax loss on the disposal and aftertax gain of \$8.9 million, including a \$14.2 million tax benefit on the disposal.
